- 3.5.2.8 The financial proposal will be opened for only those bidders who meet the minimum qualifying **score of 70%** in the evaluation of the technical proposal.
- 3.5.2.9 The financial proposals of the technically qualified bidders will be opened publicly on a specific date as intimated by NIUA in advance to the qualified bidders.
- 3.5.2.10 Financial Evaluation will be done as per Stage-3 of the Selection Process, as mentioned below. Financial Proposals will be reviewed to ensure that the information given is correct and complete; to verify if all items of the corresponding Technical Proposal are priced.

3.5.3 Stage-3: Financial Evaluation and Shortlisting of bidder

- 3.5.3.1 All the technically qualified Bidders will be notified to participate in the Financial Proposal opening.
- 3.5.3.2 Financial Proposal that are not as per the format (as per annexure XIII) provided in the RFP shall be liable for rejection.
- 3.5.3.3 If there is any discrepancy in the Financial Proposal, it will be dealt as per the following:
- If, in the Financial Proposal submitted for the proposed services, there is discrepancy between the unit price and total price (which is obtained by multiplying the unit price by the quantity), only the total price/cost as quoted in the table in the Financial Proposal Format shall prevail.
 - If there is a discrepancy between words and figures, the amount in words shall prevail.
- 3.5.3.4 The Method of selection will be on Quality (70%) and Cost (30%) Based Selection (QCBS) - 70:30
- 3.5.3.5 The Financial Proposal of only those Audit Agency who qualify technically (Minimum Qualifying Marks: 70%) will be opened. The proposal with the lowest cost will be given a financial score of 100 and the other proposals are given financial score that are inversely proportionate to their prices. The financial proposal shall be allocated weight of 30%. For working out the combined score, the NIUA will use the following formula:
- Total score = $0.7 \times TS + 0.3 \times FS$
Where $FS = \{(LEC / EC) \times 100\}$
*TS stands for technical score
*EC stands for Evaluated Cost of the financial proposal
*LEC stands for Lowest Evaluated Cost of the financial proposal.
*FS stands for financial score of the financial proposal, scores will be rounded up to two decimal places.
- 3.5.3.6 The proposals will be ranked in terms of total scores of each applicant. The proposal with the highest total score will be considered for award of contract and may be called for negotiations, if required. In case more than 1 bidders have the same highest total score, the bidder with the highest technical score will be considered for award of contract.
- 3.5.3.7 If multiple agencies are selected as L1, priority will be given to the agency with the greater number of completed assignments. If the number of assignments is equal, then priority will be given to the agency with a longer duration of existence in years.
- 3.5.3.8 As an example, the following procedure shall be followed. In a particular case of selection, minimum qualifying marks for technical qualifications is 75 and the weightage of the technical bids and financial bids is 70:30. In response to the RFP, 3 proposals, A, B & C were received. The technical evaluation committee after evaluation awarded them 75, 80 and 90 marks respectively out of 100. The minimum qualifying marks were 75. All the 3 proposals were, therefore, found technically suitable and their financial proposals were opened after notifying the date and time of bid opening to the successful participants.

The price evaluation committee examined the financial proposals and evaluated the quoted prices as under:

Request for Proposal (RFP): Selection of Audit Agency for NIUA

Bidder	Technical score (TS)	Bid Amount (EC)	Financial Score (FS) (LEC /EC)*100	Total score (0.7x TS+ 0.3 x FS)
A	75	Rs.120	100 / 120 = 83.33	75x0.70 + 83.33x0.30 = 77.49 H3
B	80	Rs.100= LEC	100/100 = 100.00	80x0.70 + 100x0.30 = 86 H2
C	90	Rs.110	100 /110 = 90.91	90x0.70 + 90.91x0.30 = 90.27 H1

Bidder C, therefore, would be declared as winner and recommended for approval, by the Tender Evaluation Committee.

Please note: If the rates quoted by the agency are found to be frivolously low or include NIL charges for any essential component of the project, i.e., significantly lower than market standards and insufficient to meet the requirements and deliverables outlined in this RFP, the Procuring Authority reserves the right to reject the quotation. Such rates or NIL charges may indicate a lack of understanding of the project scope, compromise on quality, or unsustainable execution.
