GENERAL MANAGER (Internal Audit)

(This document is meant for the exclusive purpose of submission of Tender and shall not be transferred, reproduced or otherwise used for the purpose other than that for which it is specifically used)

INTRODUCTION

The Central Warehousing Corporation (CWC) is a Navratna, Public Sector Undertaking. It provides integrated warehousing logistics services. It has a diverse presence in the storage of food grains and industrial products, Container Freight Stations (CFS), Inland Container Depots (ICD), Custom Bonded Warehouses, Integrated Check Posts (ICP), Container Train Operations (CTO), Rail-Side Warehousing, Pest Control Services, etc.

As a premier Warehousing Agency, CWC is operating 975 warehouses with a total storage capacity of 164 lakh MT including 19 Container Freight Stations (CFSs)/ Inland Clearance Depots (ICDs) and 3 Temperature Controlled Warehouses as on 28.02.2026. Warehousing activities of CWC include food grain warehouses, industrial warehousing, custom bonded warehouses, and air cargo complexes. CWC is providing warehousing and logistic support services to a diverse group of users of such services. CWC has also diversified its activities to the construction, operation, and management of Private Freight Terminals (PFTs), Container Freight Stations (CFSs), and Inland Clearance Depots (ICDs) at different places in India. Apart from storage and handling, CWC also provides services in the areas of clearing & forwarding, handling & transportation, disinfestations, fumigation, etc. CWC also offers consultancy services/ training to different agencies for the construction of warehousing infrastructure.

The purpose of appointing an Internal Auditor is to provide independent and objective assurance that an organization’s internal controls, risk management processes, and governance structures are operating effectively. Internal auditors evaluate financial and operational activities to ensure compliance with laws, regulations, and internal policies, while also identifying areas of inefficiency, fraud risk, or potential improvement. By offering unbiased insights and recommendations, the internal auditor supports management and the board in strengthening accountability, enhancing operational performance, and safeguarding the organization’s assets.

PRE-QUALIFICATION CRITERIA (POC)/ ELIGIBILITY CRITERIA

 - (iv) acts of Government which could not have been reasonably anticipated or controlled which makes performance impossible or impracticable.; or
 - (v) Epidemic and/or pandemic affecting the Services except if the services fall under any exempted category.

➤ **PRE-BID MEETING**

- If a Pre-bid meeting is stipulated in the E-Tender Notice, a pre bid meeting shall be conducted before submission of tender documents for clarifying issues and clearing doubts, if any. The record of such meeting (Response to queries/Clarifications/ Corrigendum etc.) **shall be published on the website of CWC and <https://etenders.gov.in/eprocure/app>**
 - CWC shall not adopt any separate communication method in this regard other than as mentioned above.
 - CWC reserves the right to make any alterations in the bid document based on the suggestions/ decisions arrived at the pre-bid meeting.
 - Schedule of pre-bid meeting

S. No.	Description	Schedule
1	Submission of Pre-Bid Queries	Up to 23.59 Hrs on 29.04.2026 through e-Mail on tendercell.co@cewacor.nic.in , cwcinternal.audit@cewacor.nic.in Note:- Queries received after the above stated timelines shall not be entertained.
2	Pre-Bid Meeting	On 28.04.2026, 15.00 Hrs, through VC link provided above in Tender Notice.

1) BENEFITTS EXTENDED TO MSME VENDORS BY CORPORATION

1. Government of India has implemented Trade Receivable Discounting System (TReDS) to address challenges faced by MSMEs in delayed payments (after receipt/ acceptance of Material/Service) from Government buyers leading to shortfall of Working Capital.
2. TReDS is an online electronic institutional mechanism for facilitating the financing of trade receivables of MSMEs through multiple financiers.
3. CWC has registered / on boarded on all the three RBI authorised service providers of TReDS Platform with following Registration detail:

S no	Service Provider Name	Entity ID
1	Invoicemart (M/S A. TReDS Ltd.)	100001953
2	M1 Exchange (Mynd Solutions Private Limited)	BUYER00029464
3	RXIL (Receivable Exchange India Ltd.)	CE0038528
4	DTX Platform	CO75X7WNJ02W
5	CFO Factoring Solutions Private Limited	E0022672

4. MSME suppliers shall register themselves with anyone of three services providers of TReDS portal for availing the facility of bill discounting, if they wish to.
5. Interest payment on delayed payments to MSME shall be payable in line with Micro, Small and Medium Enterprises Development Act, 2006.

2) ELIGIBILITY OF BIDDERS FROM SPECIFIED COUNTRIES

1. Any bidder from a country which shares a land border with India will be eligible to bid in this Tender only if the Bidder is registered with the Competent Authority.
2. “Bidder” (including the term `tenderer`, `consultant` or service provider` in certain contexts) means any person or firm or company, every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.
3. “Bidder from a country which shares a land border with India” for the purpose of this Order Means: -
 - a) An entity incorporated, established or registered in such a country; or
 - b) A subsidiary of an entity incorporated, established or registered in such a country; or
 - c) An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - d) An entity whose beneficial owner is situated in such a country; or
 - e) An Indian or other agent of such an entity; or
 - f) A natural person who is a citizen of such a country;
4. Such Bidder(s) shall need to submit a self-declaration along with the proof of registration with competent authority.
5. Any false declaration and non-compliance of the above would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

3) BID SUBMISSION AND AUTHORIZED SIGNATORY

- a) E-tendering portal shall not allow to submit the bids after the last date and time as depicted in this document. Thus, bidders are requested to kindly ensure timely submission of the bids to avoid last time rush. Any request for extension of timelines owing to Technical Problem in e-tendering portal etc., due to last minute submission shall not be entertained.

Tender Document for “**Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28**”

- b) The bidder must furnish full, precise and accurate details in respect of information asked under all Exhibits attached with this Tender Document.
- c) Bidder is required to submit an **Undertaking on Unconditional Acceptance** as per **Exhibit-1** attached with this Tender Document.
- d) Bid should be signed by Authorized Signatory **by issuing Power of Attorney** in the Format prescribed (for guidance only and deviation can be accepted) under **Exhibit-2** attached with this Tender Document. All the documents submitted under this tender (Technical/ Pre-Qualification/ Financial document/ Annexures/ Exhibits/ Undertakings or any other document submitted in support of bid) are to be signed/ digitally signed by the authorized signatory.
- e) Power of Attorney (POA) to be issued by the bidder in favour of the authorised representative(s), in respect of the particular tender, for purpose of signing the documents including bid, all subsequent communications, agreements, documents etc. pertaining to the tender and act and take any and all decision on behalf of the bidder. Any consequence resulting due to such signing shall be binding on the Bidder.
- f) The POA shall be supported by Board Resolution in case of Company/PSU/Statutory Body. Further, POA is not required, in case bid is being signed by Person Authorized by Board of Directors by way of Board Resolution.
- g) The Power of Attorney shall be issued as per the constitution of the bidder as below:
 - a. **In case of Proprietorship:** by Proprietor
 - b. **In case of Partnership:** by all Partners or Managing Partner as per Partnership Deed
 - c. **In case of Limited Liability Partnership:** by any Person authorized in terms of Deed of LLP
 - d. **In case of Company/PSU/Statutory Body:** by Board of Directors through Board Resolution or by the designated officer authorized by Board to do so. Such Board Resolution should be duly signed by Company Secretary / MD / CMD / CEO.
- h) The Power of Attorney should be valid till award of contract / order to successful bidder.
- i) Bidder shall submit their offer in electronic format on e-tendering portal (<https://etenders.gov.in/eprocure/app>) on or before the scheduled date and time as mentioned on e-tendering portal. **No offer in physical form will be accepted and any such offer, if received by Central Warehousing Corporation will be out rightly rejected.**

4) ADDITIONAL INFORMATION TO BIDDER

- j) Bidders shall be able to create representations on e-tendering portal within 1 day for Bids with Bid duration between 3 to 5 days, within 2 days for Bid duration between 6 to 9 days & within 4 days for Bids with Bid duration of 10 or above days.
- k) CWC shall respond to the bidder's representations at least 72 hours before the Bid end date and time on e-tendering portal only.
- l) All communications and information should be provided in writing and in English language only.
- m) All the communications and information provided should be legible.
- n) The Bidder shall be responsible for all costs associated with the preparation of the Bid. CWC shall not be liable to and subjected to any financial implication whatsoever, including, for any costs, regardless of the conduct or outcome of this tender process.
- o) CWC may scrap the tender enquiry without assigning any reason at any time before the signing of the Agreement. In case, the tender enquiry is scrapped, CWC will not be liable for any loss or cost to Bidder. However, EMD, if any deposited by bidder, will be refunded back.
- p) In case any bidder is debarred either during the bidding process or after award of contract, the details of such Debarred bidder will also be published on the website of Corporation.

5) BID VALIDITY

- a) Each Bid shall be deemed to be a firm and irrevocable offer, and shall remain valid **and open for a period of Ninety (90) days from the opening of Technical Bid.**
- b) In exceptional circumstances, such time period may be extended by another thirty (30) days upon mutual consent between Corporation and technically qualified bidders.
- c) After opening of price bids in e-tendering portal, the extension will be regularized with H-1 bidder.
- d) CWC shall raise the request for extension of validity through e-Mail & bidders shall be required to accept it within 48 hours. Bidder may refuse the request without forfeiture of its EMD.
- e) In case of such extension, the bidder shall not be permitted to modify its original offer/proposal in any respect during the extended period. In case, the consent is not provided by the bidder within stipulated time for extension of bid, the entire tender enquiry shall be scrapped.

6) EARNEST MONEY DEPOSIT (EMD)

I. Bid must be accompanied with proof of payment of EMD remitted through Fund Transfer in the bank account mentioned in the Tender Notice.

- a) **Bid not accompanied with EMD/ Bid security declaration shall be liable for summary rejection.**
- b) EMD submitted by the bidder shall be forfeited and debarred from participating in future tender enquiries by Corporation for a period of two (02) years, if the bidder:
 - i) Withdraws or modify or impairs or derogates from the bid in any respect within the period of validity of its bid; or
 - ii) Fails to furnish requisite performance security within stipulated time required as per e-bid.
 - iii) In the event of bidder, not accepting the offer and/or not formally executing the contract after acceptance of bid/proposal by CWC within the stipulated time period.
- c) **EXEMPTION FROM SUBMISSION OF EMD**
 - i) The bidder participating under the category MSEs registered in UDYAM portal are exempted from payment of EMD payable to CWC subject to furnishing the proof of they being so registered under the said portal. The Registration of such bidder under MSE Notification should be valid as on last date of submission of tender and they should also mention the terminal validity of their Registration (if applicable), failing which, their offer shall not be considered for benefits detailed in MSE Notification of Govt. of India dated 23.3.2012/26.03.2012 or any other notification as may be issued thereafter.
 - ii) Startups certified by Department for Promotion of industry and Internal Trade (DPIIT) are exempted from payment of EMD and should enclose the proof of their being certified with Department for Promotion of Industry and Internal Trade (DPIIT).

II. DECLARATION FOR BID SECURITY (BSD)

- a) Submission of BSD in the format as per **Exhibit-5 attached with this tender document is mandatory** for all the bidders who are exempted from submission of Earnest Money Deposit.
- b) **Non submission of BSD shall lead to summarily rejection of the Bid.**
- c) The bidders who are exempted from paying EMD, shall be debarred by Corporation for participating in future tender enquiries for a period of two (02) years, if the bidder:
 - i) Withdraws or modify or impairs or derogates from the bid in any respect within the period of validity of its bid; or

- ii) Fails to furnish requisite performance security within stipulated time required as per e-bid AND
- iii) in the event of bidder, not accepting the offer and/or not formally executing the contract after acceptance of bid/proposal by CWC within the stipulated time period.

III. REFUND OF EMD

- a) In case of two packet or two stage bidding, EMD of unsuccessful bidders during first stage i.e. technical evaluation should be returned within 15 days of declaration of result of first stage itself.
- b) Earnest money of unsuccessful bidders during second stage i.e. Financial Evaluation, shall be returned within 15 days after the award of contract or expiry of bid validity, whichever is earlier.
- c) Earnest money of successful bidder shall be returned within 15 days after receipt of Performance Security, if not adjusted under BG or Security Deposit.

7) AMENDMENT OF BIDDING DOCUMENTS

- a) At any time prior to the 'Bid Submission Date', CWC may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, modify the Bidding Documents by issuing corrigendum.
- b) Any corrigendum thus issued shall be an integral part of the Tender Document and shall be published on the e-tendering portal and website of the Corporation. Bidders have to take into account all such corrigendum before submitting their Bid.
- c) CWC, if considered necessary, may extend the Bid Due Date in order to allow the Bidders a reasonable time to furnish their most competitive bid taking into account the addenda/corrigendum issued thereof. In any case and as mandated by e-tendering portal, minimum 7 days will be given after publishing of Corrigendum.
- d) All such communications shall be published on e-tendering portal and www.cewacor.nic.in and on <https://etenders.gov.in/eprocure/app>. No other mode of communication shall be adopted.

8) DESCRIPTION OF THE SELECTION PROCESS

The proposals received would be subject to the evaluation process as below:

- i) Step 1: Technical Qualification based on documents submitted.
- ii) Step 2: Awarding marks as per QCBS Criteria (attached at **Exhibit-9**)
- iii) Step 3: Evaluation based on QCBS (Quality and Cost Based Selection) methodology.

a) OPENING OF TECHNICAL BID

- i) The Technical Bid of the bidder would be opened on the specified date, time and place as mentioned in the e-tendering portal bid document. No separate communication shall be made in this regard & bidders at their own pre-judice may send their Authorized Signatory/representative to attend the opening process. The representative must report at least 30 minutes before the bid opening time. No separate communication shall be done by Corporation in this regard.
- ii) Bidder to note that the Financial bid should be submitted separately and independent of the technical bid. In case, Financial Bid forms part of the technical bid, the bid shall be summarily rejected by CWC.
- iii) The objective of the technical evaluation process is to select bidder(s) who have the commercial and operational strength to provide the services. The bid(s)/proposal(s) shall be evaluated as per the criteria specified in this document.

- iv) The tender documents, in particular, Appendixes/ Annexures/ Exhibits, shall be filled in by the Bidder clearly, neatly and accurately. Any alteration, erasures or over-writing would be liable to make the tender invalid unless the same is neatly carried out and attested over the full signature of Bidder.
- v) The documents submitted by bidders in support of QCBS criteria shall also be opened. However, the documents submitted against QCBS criteria shall only be evaluated if the bidder is qualifying the pre-qualification criteria.

b) OBTAINING MISSING DOCUMENTS AND SPECIFIC CLARIFICATION:

- i) The proposals, that are incomplete in any respect or those which are not consistent with the requirements as specified in this document or which do not contain any of the documents as per the specified formats prescribed in the document, would be considered non-responsive and Corporation shall have liberty to carry out call of clarification or to summarily reject the bids. Adherence to formats, wherever specified, is must. Non-adherence to formats may be a ground for declaring the proposal non-responsive.
- ii) The required clarification and missing document(s) may be solicited by the Corporation from bidders through e-tendering portal only.
- iii) The procedure as stipulated by e-tendering portal shall be followed for soliciting the Clarifications/missing Documents. The bidder shall be required to submit the clarifications within the stipulated time as mentioned in the e-tendering portal bid document. The bidders may contact e-tendering portal helpdesk for any support/ clarifications.
- iv) The shortfall information/ documents shall be sought only against the documents/ information already submitted by the bidder in technical documents and also in case of historical documents which pre-existed at the time of the tender opening & have not undergone any changes since then. So far as the submission of documents is concerned with regard to qualification criteria, after submission of tender, only related shortfall documents shall be solicited and considered. For eg.:- if the bidder has submitted a supply order without its completion/ performance certificate, the certificate can be solicited and considered. However, no new supply order shall be solicited / considered during the clarification.
- v) After expiry of prescribed **time of 05 days**, for submission of clarification/missing document as mentioned in e-tendering portal Bid document, Corporation shall download the clarification/ missing document(s) submitted by the bidder.
- vi) The Bidder has the option to respond or not to respond to these queries. If the Bidder fails to respond, within the stipulated time period or the clarification(s)/and missing document(s) submitted is non-conforming to requirement of tender conditions, the bidder shall be technically dis-qualified.
- vii) All the responses to the clarifications and missing document(s) will be part of the Proposal of the respective Bidder and if the clarifications and missing document(s) are in variance with the earlier information in the proposal, the information provided in later stages shall prevail over the earlier information for the technical evaluation process.
- viii) The request for clarification and missing document(s) by the Corporation and the response of the bidder shall be in writing and no change in price or substance of the tender shall be sought, offered or permitted.
- ix) Corporation well within its rights to waive minor infirmity or non-conformity or irregularity like spelling mistake(s), clerical errors, signature missing on any page which does not constitute a material deviation.
- x) Bidder to refer clarification and missing document(s) manual available on e-tendering portal <https://etenders.gov.in/eprocure/app> or seek assistance from the Helpdesk.

c) OPENING OF FINANCIAL BID

- i) Bidder is required to indicate offer price in the Price break up format as per attached Excel Sheet on e-Tendering portal (each bidder needs to submit price bid for respective cluster only in the attached excel).
- ii) In case, Financial Bid forms part of the technical bid, the bid shall be summarily rejected by CWC.
- iii) Corporation may reject un-justified/incomplete price bids during the financial evaluation. The decision of Tender Awarding Authority in this regard shall be final and binding.

d) DISQUALIFICATION CONDITIONS

Unless considered for dis-qualification under any other clause of this tender document, the bidder may also be dis-qualified for following reasons:

- i) Bidders who have been blacklisted or otherwise debarred by CWC or any department of Central or State Government or any other Public Sector Undertaking as on the last date of submission shall not be eligible to participate, during the period of such blacklisting.
- ii) Bidders contract should not have been terminated for Bidder’s default by CWC or any department of Central or State Government or any other Public Sector Undertaking during the last five years as on last date of submission of bid.
- iii) Bidder shall also not be eligible to participate in this tender, in case of any pending/outgoing legal dispute with CWC whether before any Court of law and/or arbitration with regard to any contract on last date of submission of bid to CWC.
- iv) Any qualified/conditional bid shall be liable for outright rejection by CWC without assigning any reason whatsoever.

Bidders need to submit a Declaration to this regard, as per exhibit-1 attached in this tender document.

Note:

1. While considering ineligibility arising out of any of the above clauses, incurring of any such disqualification in any capacity whatsoever (even as a proprietor, partner in another firm or as Director of a Company) will render the Bidder disqualified.
2. A Hindu Undivided Family (either as a proprietor or partner of a firm) shall not be entitled to apply for tender. Any tender submitted in the capacity of Hindu Undivided Family (either as a proprietor or partner of a firm) shall be summarily rejected.

e) SELECTION OF SUCCEFULL BIDDER

- (i) The bids of the bidders who qualify the Pre-Qualification Criteria (PQC) shall only be considered for Evaluation under QCBS.
- (ii) Each bid shall be awarded **Combined Technical cum Financial Score (CTFS) marks out of 100.**
- (iii) The weightage shall be 70 (Technical): 30 (Financial).
- (iv) **Calculation for CTFS: -**
 - The marks shall be awarded to the bidders as per the Technical Criteria and on the basis of their Financial Quote. Following formula shall be used by Corporation to declare the successful bidder:
 - **CTFS Calculation Formula: $[[Xt.(T/Thigh*100) + Xf. (Clow/C*100)]]$**
 - T= Total Technical score awarded to the Service provider
 - Thigh=Highest Technical score achieved for the Bid
 - C=Price Offered by the Service Provider
 - Clow=The lowest of all Price offered (L1 Price)

Tender Document for “**Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28**”

- Xt= Weightage for technical evaluation
- Xf= Weightage for financial evaluation

- (v) The bid getting the highest CTFS score shall be considered as successful bidder.
- (vi) In case two or more bidders obtain the same score in the technical and/or financial evaluation, the following criteria shall be applied sequentially to determine the successful bidder:
1. **Number of Partners**
The firm having a higher number of partners shall be given preference.
 2. **Number of Qualified Professionals (CA/CMA)**
In case the number of partners is equal, the firm having a higher number of qualified Chartered Accountants (CA)/Cost & Management Accountants (CMA) shall be given preference.
 3. **Experience of the Firm**
If the number of qualified CA/CMA professionals is also equal, the firm with greater overall experience (in terms of years of establishment/operations) shall be given preference.
 4. **Final Decision**
In case of a further tie, the decision of the Tender Evaluation Committee shall be final and binding.
- (vii) In case purchase preference is applicable, the successful bidder will be decided after adoption of due procedure on e-tendering portal.

f) **CONTACTING CWC DURING THE EVALUATION**

Canvassing whether directly or indirectly in connection with tenders is strictly prohibited and the tenders submitted by the Bidders who resort to canvassing will be liable to rejection. From the time of bid submission to awarding the contract, no Bidder shall contact the Corporation on any matter relating to the submitted bid. If a Bidder needs to contact the Corporation for any reason relating to this tender and/ or its bid, it should do so only in writing electronically. Any effort by a Bidder to influence the Corporation during the processing of bids, evaluation, bid comparison or award decisions shall be construed as a violation of the Code of Integrity, and bid shall be liable to be rejected as non-responsive in addition to other punitive actions for violation of Code of Integrity as per the Tender Document.

9) **CHANGE IN CONSTITUTION OF BIDDING ENTITY/SUCCESSFUL BIDDER**

- a) Once the tender has been submitted, the constitution of the Partnership firm/LLP shall not be allowed to be modified / altered / terminated during the validity of the tender as well as the currency of the contract except when modification becomes inevitable due to succession laws etc., in which case prior permission should be taken from CWC and in any case the minimum eligibility criteria should not get vitiated.
- b) The re-constitution of firm in such cases should be followed by a notary certified Supplementary Deed. The approval for change of constitution of the firm, in any case, shall be at the sole discretion of the CWC and the Bidder shall have no claims what-so-ever.
- c) Any change in the constitution of Partnership firm after opening of tender shall be with the consent of all partners and with the signatures of all partners as that in the Partnership Deed.
- d) Failure to observe this requirement shall render the offer invalid and full EMD shall be forfeited.
- e) If any Partner/s withdraws from the firm after opening of the tender and before the award of the contract, the offer shall be rejected. In case the Bidder fails to inform CWC

beforehand about any such changes / modification in the constitution which is inevitable due to succession laws etc. and the contract is awarded to such firm, then it will be considered a breach of the contract conditions liable for termination of the contract under Clause no. 22 (c) of General Conditions of Contract.

10) VERIFICATION OF ORIGINAL DOCUMENTS

- a) Corporation, at its discretion, may ask Bidder to submit for verification the originals of all such documents whose scanned copies were submitted online along with the technical bid. The credential documents of financial and experience criteria shall also be got verified from the authority/ office who has issued such documents. If so decided, the photocopies of such self-certified documents and the credential documents verified from issuing office/ authority shall be kept in the records as part of the contract agreement.
- b) If the Bidder fails to provide such originals or in case of substantive discrepancies in such documents or it is found at any stage of tendering process that documents submitted in bid is/are fabricated/ tempered/ forged/ altered/ manipulated/ false then it shall be construed as a violation of the Code of Integrity. Such bid shall be liable to be rejected as non-responsive, bidder shall be disqualified and the evaluation of Bids shall proceed with the subsequent ranked offers.
- c) If the Bidder fails to provide such originals or in case of substantive discrepancies in such documents or documents submitted in bid is/are fabricated/ tempered/ forged/ altered/ manipulated/ false if found even after placement of LOA or signing the contract or then Corporation reserves the right to terminate the contract, forfeit of EMD and Performance Security / Security Deposit whichever is available at the time of termination. In addition to above (disqualification of bidder or termination of contract as the case may be), other punitive actions shall also be taken to blacklist/debar the bidder from future participation in tenders of the Corporation **for next five years**.

11) PERFORMANCE SECURITY {BANK GUARANTEE}

- a) Successful bidder is required to submit Performance Security in the form of Bank guarantee (BG) issued in the format attached under **Exhibit-6** with this Tender Document from Scheduled Commercial Bank @**5% of the value of contract including GST** for his proper performance of the contract agreement within specified period.
- b) Bank Guarantee must be valid for atleast 60 days beyond the scheduled completion of Contract with claim period of atleast 6 months beyond the expiry of Bank Guarantee.
- c) **Performance Security must be submitted by Seller to the Buyer within 15 days** of award of contract on e-tendering portal/ LOA whichever is earlier. The payments to the seller shall become due only after receipt of Performance Security by the Buyer and verification of its genuineness. No interest shall be payable upon the BG by the Seller to the Buyer under the Contract.
- d) In case of failure to deposit the Bank Guarantee by the Successful Bidder within stipulated time, an extension of maximum additional 15 days can be granted by the CWC at its discretion however, such an extension shall be subject to a levy of penalty at the rate of 0.1% per day of delay of the amount of such BG.

- e) If the successful bidder, having been called upon by Corporation to furnish BG, fails to do so within the period as specified above and even up to last date of extended period, if extended, the contract shall be terminated without any notice to successful bidder, duly forfeiting EMD and other dues, if any payable against the contract. **The failed successful bidder shall be debarred from participating in future tender of the Corporation for next two (02) years from the date of debarring.**
- f) In case, when bidder, whose bid has been accepted, fails to sign the contract as may be required, or fails to provide (BG) as may be required for the performance of the contract or otherwise withdraws from the procurement process, the Corporation shall cancel the procurement process.
- g) If requested by the Corporation due to change in date of completion of Contract, the successful bidder agrees to extend the validity period of the Bank Guarantee or to issue a further Bank Guarantee in the event that the duration of this Contract is, for any reason, extended beyond such validity date.
- h) If the successful bidder fails or neglects to observe or perform any of his obligations under the contract or fails to extend the validity of submitted Bank Guarantee, it shall be lawful for the Corporation to forfeit either in whole or in part, the Performance Security furnished by the successful bidder.
- i) In case, some partial amount is to be recovered by Corporation from successful bidder, then Corporation may revoke the complete BG and can recover the desired amount. The balance amount shall be paid back to the service provider as and when new BG of full amount is submitted by the successful bidder.
- j) If the successful bidder duly performs and completes the contract in all respects, the Corporation shall, release the Performance Security, as the case may be, within 90 days of completion of all contractual obligations by the successful bidder.
- k) Successful bidder shall be required to submit no dues certificate to Corporation as & when desired by Corporation.
- l) **SFMS Verification of Bank Guarantee:**
 - i) The bank guarantee submitted by the successful bidder shall be verified online through SFMS and no physical verification will be conducted.
 - ii) For this purpose, the Bank Guarantee issuing bank shall send cover for Bank Guarantee issued, through SFMS platform to the CWC Banker i.e. ICICI Bank, 9 Phelps Building, Connaught Place, New Delhi, (IFSC Code: ICIC0000007) as per details given below:
 - (1) MT760 COV for issuance of bank guarantee.
 - (2) MT767 COV for amendment of bank guarantee.
 - iii) Issuing bank shall mention **CWC beneficiary code i.e. CENTRALW27112020 in field 7037** of MT760 COV / MT767 COV.
 - iv) The bidder shall submit the copy of SFMS message as sent by the issuing bank branch along with the original Bank Guarantee.
 - v) The BGs not complying to the SFMS guidelines stipulated above, shall not be accepted.

12) EXECUTION OF THE CONTRACT

- a) The details of award of contract shall be published by CWC on website of Corporation {https://cewacor.nic.in/MasterStatic/Contract_awarded} and CPP portal {<https://etenders.gov.in/eprocure/app>}.
- b) The selected bidder shall be required to sign the agreement within 15 days of submission of the performance security.
- c) During the signing of contract, following activities shall take place: -
 - (i) The bidder shall be required to enter into a contract with the Corporation strictly in the format of Agreement **attached under Exhibit-7 of this Tender Document**. The Agreement shall be typed on a Non-Judicial Stamp Paper of appropriate value.
 - (ii) Submission of Performance Bank Guarantee.
 - (iii) If required, the bidder shall be asked to physically sign and stamp the complete tender document and bid documents submitted by them during Technical/ Financial Bid or Clarifications round etc.
 - (iv) Except as provided under the Agreement, the Bidder shall not disclose and cause other parties (connected with the Project, who have been disclosed the Information on Agreement as per the terms of the Agreement) to disclose the Agreement or any provision, specification, plan, design, pattern, sample or information thereof which may be provided to the service provider during execution of Contract to any third party, without prior written consent of the CWC. For the aforesaid purpose, parties to the Agreement shall enter into the **Non-Disclosure Agreement (“NDA”)** on a non-judicial stamp paper of appropriate value, the format of which is attached under **Exhibit-8** with this tender document.

13) TRANSFER AND SUBLETTING OF THE CONTRACT

- a) The successful bidder shall not sublet, transfer, assign or otherwise part with directly or indirectly to any person or persons, whatever is stipulated in this contract, or any part thereof, without the previous written permission of the CWC.
- b) In case, it is found that the bidder has transferred or has sublet the contract without permission of Corporation, then Corporation may terminate the Contract under Default by bidder and shall levy necessary penalties as per the concerned Termination Clause due to default.
- c) The successful bidder shall be entirely responsible for the work executed by the sub-contractor, if any, to the entire satisfaction of the inspecting officer and for the timely execution of the contract in all respects.
- d) Sub-contracting by the contractor/ service provider/ consultant without the approval of the Corporation shall be a breach of contract.

14) BID PRICES

- a) Competitive and Independent Prices
 - i) The prices should be arrived at independently, without restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to:
 - (1) those prices; or
 - (2) the intention to submit an offer; or
 - (3) the methods or factors used to calculate the prices offered.
 - ii) The prices should neither be nor shall be knowingly disclosed by the Bidder, directly or indirectly, to any other bidder or competitor before bid opening or contract award unless otherwise required by law.
- b) Undue profiteering

Tender Document for “**Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28**”

- i) **Controlled Price, if any:** The price quoted by Bidder shall not be higher than the controlled price fixed by law for any of the Services covered under contract, if any, or where there is no controlled price, it shall not exceed the prices or contravene the norms for fixation of prices if any, laid down by Government or where the Government has fixed no such prices or norms, it shall not exceed the price appearing in any agreement, if any, relating to price regulation by any industry.
- ii) **Undue profiteering:** If the price quoted is higher than the controlled price in the sub-clause above, Bidder shall specifically mention this fact in his bid giving reasons for quoting a higher price(s). If he fails to do so or makes any misstatement, it shall be lawful for the CWC either to revise the price at any stage to bring it in conformity with the sub-clause (1) above or to terminate the contract for default as per the contract and avail all the remedies available therein in addition to other punitive actions for violation of Code of Integrity.
- c) **Price Components**
 - i) The prices quoted by Bidder shall include all cost towards satisfactorily completion of works as per technical specification, including cost of material, labour, Tools and Plants, Consumables, Sundries, site establishment, overhead, Contractor Profit, Water charges, cost of incidental goods & services, cost towards testing and measurement and Taxes as applicable.
 - ii) The Prices quoted by the bidders shall be inclusive of GST and all applicable taxes, Building and Other Construction Workers Welfare Cess (As applicable), Levies, Duties on materials or services and on complete works in respect of this contract.
 - iii) The quoted price shall be considered to include all relevant financial implications, including inter-alia the scope of the Services to be delivered and the incidental goods/works to be supplied, location of the bidder, site(s) of the delivery of Services, terms of delivery, extant rules and regulations relating to taxes, duties, customs, transportation, environment, labour, cost of watch and ward of bidder’s material through private security, Mining & Forest etc in India.

Central Warehousing Corporation will not entertain any claim, whatsoever in this respect.

- d) **Price Variation:** The Price quoted by the bidder and accepted by CWC, shall remain firm during the currency of contract including the extended period, if any extended due to any reason attributable to either CWC or Contractor or Force majeure. No claim, whatsoever shall lie against the Corporation on account of any variation, escalation etc. in the rates in market during contract.
- e) Unless otherwise stipulated in the Tender Document, the currency of bid and payment shall be quoted by Bidder entirely in Indian Rupees. All payments shall be made in Indian Rupees only.

15) TAXES AND DUTIES

- a) Quoted prices should be inclusive of all taxes and duties, including GST (CGST & SGST or IGST or UTGST). Please note that the responsibility of payment of GST (CGST & SGST or IGST or UTGST) lies with the Service Provider only.
- b) Service Provider providing taxable service shall issue an e-Invoice/Invoice/ Bill, as the case may be within a period specified in Contract to enable CWC to avail input credit of GST as per rules/ regulation of GST. The bidder registered under GST (if applicable) shall ensure that the invoice to be raised upon the Corporation is compliant with the provisions of the GST Law and contains the requisite details in an accurate manner for claiming of tax credits by Corporation.
- c) Further, returns and details required to be filled under GST laws & rules should be timely filed by Service Provider with requisite details. This shall further be ensured by the bidder

Tender Document for “**Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28**”

registered under GST (if applicable) that the invoice raised by bidder during a month is appropriately reported in the GST Returns of the said month.

- d) Payments to Service Provider for claiming GST (CGST & SGST/UTGST or IGST) amount will be made provided the above formalities are fulfilled. The Corporation reserves the rights to release the payment of GST amount (if applicable) only post matching of the invoices in the GSTN System.
- e) GST or any other tax on input material or services used by bidder in respect of this contract shall be payable by the bidder and Central Warehousing Corporation will not entertain any claim whatsoever in this respect.
- f) If input tax credit is not available to CWC for any reason not attributable to CWC, then CWC shall not be obligated or liable to pay or reimburse GST (CGST & SGST/UTGST or IGST) claimed in the invoice(s) and shall be entitled to deduct / setoff / recover such GST amount (CGST & SGST/UTGST or IGST) or Input Tax Credit amount together with penalties and interest, if any, against any amounts paid or becomes payable by CWC in future to the Service Provider under this contract or under any other contract.
- g) Wherever TDS under GST Laws has been deducted from the invoices raised / payments made to the Service Provider, as per the provisions of the GST law / Rules, Service Provider should accept the corresponding GST-TDS amount populated in the relevant screen on GST common portal (www.gst.gov.in). Further, Service Provider should also download the GST TDS certificate from GST common portal (reference path: Services > User Services > View/Download Certificates option).
- h) Any new taxes & duties, if imposed by the State/ Central Govt. of India after the due date of bid submission but before the Contractual Completion Date, shall be reimbursed to the Service Provider on submission of copy of notification(s) issued from State/ Central Govt. Authorities along with documentary evidence for proof of payment of such taxes & duties, but only after ascertaining it's applicability with respect to the Contract.
- i) Income tax deduction shall be made from all payments made to the contractor as per the rules and regulations in force and in accordance with the Income Tax Act prevailing from time to time.
- j) **TDS**
 - i) TDS, wherever applicable, shall be deducted as per applicable act/law/rule.
 - ii) Higher rate of TDS for non-filers of ITR
As per Section 206AB of Income Tax Act, 1961, in case of any vendor/customer who does not filed their Income Tax Return for both of the two previous years preceding to current year and aggregate amount of TDS is more than or equal to 50,000/- in each of those previous two years (or limit defined by Govt. from time to time), then TDS will be deducted at the higher of following rates:
 - (1) Twice the rate mentioned in relevant TDS section.
 - (2) Twice the rate or rates in force
 - (3) 5%
- k) As per CBDT Notification No. 95/2015 dated 30.12.2015, mentioning of PAN no. is mandatory for procurement of goods / services/works/consultancy services exceeding Rs. 2 Lacs per transaction or as amended from time to time.
- l) Accordingly, service provider should mention their PAN no. in their invoice/ bill for any transaction exceeding Rs. 2 lakhs or as amended from time to time. As provided in the notification, in case service provider does not have PAN no., they have to submit declaration in Form 60 along with invoice/ bill for each transaction.
- m) Payment of service provider shall be processed only after fulfilment of above requirement.
- n) The bidder shall be required to submit an undertaking along with the tax invoices, in case the bidder is not submitting the e-Invoices (as per GST's mandate). The format for such

undertaking shall be provided by the Tender Awarding Authority, as & when requested by successful bidder.

- o) Since on e-tendering portal bidder has to quote rates INCL GST, therefore, if in case rates of GST on any service/ item is revised by Govt. of India during the currency of the contract, then the applicable GST rates at the time of billing shall be payable as per the actuals.
- p) Corporation is leveraging Bill Tracking System (BTS) for issuance of TDS certificate to its vendors/contractors. Successful bidder during the course of contract shall download the TDS Certificate from portal of Bill Tracking System (BTS) of Corporation by using their login id and password.

16) SETOFF

- (i) **SETOFF:** Any sum of money due and payable to the contractor under this contract may be appropriated by the Corporation and set-off against any claim of the Corporation for the payment of any sum of money arising out of or under any other contract made by the contractor with the Corporation.

17) FORCE MAJEURE

(a) General

No failure or omission by either Party to carry out or to perform any of the terms or conditions of this Contract shall give the other Party a claim against such Party, or be deemed a breach of this Contract, if and to the extent that such failure or omission arises from Force Majeure.

The Party prevented from performing due to Force Majeure shall promptly, and in any case within 48 hours, notify the other Party of the nature and anticipated duration thereof and shall use all reasonable endeavours to resume performance of this Contract as soon as reasonably possible. The Party prevented from performing due to any such cause shall, in addition, furnish the other Party with such information in respect of such cause as the other Party may reasonably require.

(b) Definition

The term “Force Majeure”, as used in this Contract, shall mean and shall only mean the following:

- a. riot, war, invasion, act of foreign enemies, hostilities (whether war be declared or not), acts of terrorism, civil war, rebellion, revolution, military invasion, insurrection of military or usurped power; or
- b. ionizing radiations or contamination by radio-activity from any nuclear waste, or radio-active, toxic, explosive or other hazardous properties of any explosive, nuclear assembly or nuclear component thereof (other than arising out of any radiation source used by the Contractor in relation to the Services); or
- c. earthquake, flood (excluding normal seasonal rain/shower), tsunami, or any other natural disaster, but excluding weather or sea conditions as such, regardless of severity; or
- d. fire or explosion (being fire or explosion not caused by the negligence of the affected Party or its sub-contractors); or
- e. acts of Government which could not have been reasonably anticipated or controlled which makes performance impossible or impracticable.

For the sake of clarification, the Contractor acknowledges that any strike(s) by Contractor’s personnel, labour, or its sub-contractor’s personnel, labour, which affects a substantial or essential portion of the Services to be provided to the Corporation, shall not be an event stipulated under the definition of Force Majeure. In such an event, the Contractor shall be fully responsible for any loss or damage that the Corporation may suffer on this account.

(c) Payment during Force Majeure

Unless otherwise specified in the Contract, the Contractor shall not be entitled to any payment in respect of any period where the Services are not carried out as a result of Force Majeure, in case, the Contractor is required to provide Services during Force Majeure condition(s), the Contractor’s remuneration for the same will be paid at the rates as negotiated and fixed by mutual agreement prior to rendering of such Services by the Contractor.

18) RIGHT TO REJECT ANY OR ALL BIDS

- a) Corporation reserves its right to accept or reject any or all Bids, abandon/ cancel the Tender process, and issue another tender for the same or similar at any time before the award of the contract. It would have no liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for such action(s).
- b) The Tender Calling Authority on behalf of the Corporation does not bind himself to accept the lowest or any other offer and reserves to himself the authority to reject any or all the tenders received without assignment of any reason.
- c) The Tender Calling Authority on behalf of the Corporation does not bind himself to accept the lowest tender and reserves to himself the right of accepting the whole or any part of the tender and the Bidder shall be bound to perform the same at the rate quoted.

19) CODE OF INTEGRITY

Bidders, suppliers, contractors and consultants/ service providers should observe the highest standard of ethics and should not indulge in the following prohibited practices, either directly or indirectly, at any stage during the procurement process or during execution of resultant contracts, failing which Corporation **may consider the bid to be non-responsive & may reject the bids or to terminate the contract:** -

- (a) “**Corrupt practice**”: making offers, solicitation or acceptance of bribe, rewards or gifts or any material benefit, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process or contract execution;
- (b) “**Fraudulent practice**”: any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration or providing false information for participation in a tender process or to secure a contract or in execution of the contract;
- (c) “**Anti-competitive practice**”: any collusion, bid rigging or anti-competitive arrangement, or any other practice coming under the purview of The Competition Act, 2002, between two or more bidders, with or without the knowledge of the Corporation, that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, non-competitive levels;
- (d) “**Coercive practice**”: harming or threatening to harm, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
- (e) “**Conflict of interest**”: A bidder in this Tender Process shall be considered to have a conflict of interest if the bidder: -
 - (i) directly or indirectly controls, is controlled by or is under common control with another Bidder; or
 - (ii) receives or have received any direct or indirect subsidy/ financial stake from another bidder; or
 - (iii) has the same legal representative/ agent as another bidder for purposes of this bid. A Principal can authorise only one agent, and an agent also should not represent or quote on behalf of more than one Principals. However, this shall not debar more than one Authorised distributor from quoting equipment manufactured by an Original Equipment Manufacturer (OEM), in procurements under Proprietary Article Certificate; or

- (iv) has a relationship with another bidder, directly or through common third parties, that puts it in a position to have access to information about or influence the bid of another Bidder or influence the decisions of the CWC regarding this Tender process; or
- (v) participates in more than one bid in this tender process. Participation in any capacity by a Bidder (including the participation of a Bidder as sub-contractor in another bid or vice-versa) in more than one bid shall result in the disqualification of all bids in which he is a party. However, this does not limit the participation of a non-bidder firm as a sub-contractor in more than one bid; or
- (vi) would be providing goods, works, or non-consulting services resulting from or directly related to consulting services that it provided (or were provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that firm), for the procurement planning (inter-alia preparation of feasibility/ cost estimates/ Detailed Project Report (DPR), design/ technical specifications, terms of reference (ToR)/ Activity Schedule/ schedule of requirements or the Tender Document etc)of this Tender process; or
- (vii)has a close business or family relationship with a staff of the Procuring Organisation who: (i) are directly or indirectly involved in the preparation of the Tender document or specifications of the Tender Process, and/or the evaluation of bids; or (ii) would be involved in the implementation or supervision of resulting Contract unless the conflict stemming from such relationship has been resolved in a manner acceptable to the CWC throughout the Tender process and execution of the Contract.
- (f) “**Obstructive practice**”: materially impede the CWC’s investigation into allegations of one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or by impeding the CWC’s rights of audit or access to information;

20) PROCEDURE FOR BLACKLISTING/ DEBARRING ANY BIDDER

1. In the event where CWC blacklist or debar any bidder or firm owing to any reason as stipulated in this tender document, then the same shall also mean debarring/ blacklisting of:
 - 1) Proprietor in case of proprietorship firm(s).
 - 2) All Partners in case of Partnership firm(s)/ LLP firm(s).
 - 3) All Directors in case of Pvt Ltd/ PSUs/ any company under Companies Act 2013.
 - 4) All members of the Co-operative societies.
2. The address and details of the blacklisted/ debarred firm(s) including the details and names of proprietor/ partners/ directors/ members, as per information available in the Technical Bid or through websites on Public Domain, shall be published on the website of CWC and CPP portal along with the period of blacklisting or debarment.
3. The Tender Awarding Authority on behalf of Corporation can debar/ blacklist any bidder in line to the contract’s terms & conditions. However, in case of Public Sector Undertakings (PSUs) or other Governments Departments or Public Limited Companies, the Managing Director/ CWC shall be the Competent Authority for issuing the debarment/ blacklisting letter.
4. An order for debarment passed shall be deemed to have been automatically revoked on the expiry of that specified period and it will not be necessary to issue a formal order of revocation.

5. A debarment order may be revoked before the expiry of the order, by the Competent Authority, if it is of the opinion that the disability already suffered is adequate in the circumstances of the case or for any other reason.
6. No contract of any kind whatsoever shall be placed to debarred firm including its allied firm(s) after the issue of a debarment order by Corporation. Bids from only such firms shall be considered for the placement of contract, which are neither debarred on the date of opening of the tender nor debarred on the date of award of the contract. Even in case of Risk Purchase, Project shall not be awarded to any debarred firm.

21) INFIRMITY/ IRREGULARITY/ NON-CONFORMITY/ DEVIATIONS - SUBSTANTIVE OR MINOR

1. An infirmity/ irregularity or non-conformity/ exception/ deviation/ reservation/ omission from the requirements of the Tender Document shall be considered as a substantive deviation as per the following norm, and the rest shall be considered as Minor deviation:
 - i. which affects in any substantive way the scope, quality, or performance of the product;
 - ii. which limits in any substantive way, inconsistent with the Tender Document, the CWC's rights or the Bidder's obligations under the contract; or
 - iii. Whose rectification would unfairly affect the competitive position of other Bidders presenting substantively responsive Bids.
2. The decision of the Corporation shall be final in this regard. Bids with substantive deviations shall be rejected as nonresponsive.
3. Variations and deviations and other offered benefits (techno-commercial or financial) above the scope/ quantum of the Goods specified in the Tender Document shall not influence evaluation Bids. If the bid is otherwise successful, such benefits shall be availed by Corporation, and these would become part of the contract.
4. Corporation reserves the right to accept or reject bids with any minor deviations. Wherever necessary; Corporation shall convey its observation, on such ‘minor’ issues to Bidder by registered/ speed post/ electronically etc. asking Bidder to respond by a specified date. If Bidder does not reply by the specified date or gives an evasive reply without clarifying the point at issue in clear terms, that bid shall be liable to be rejected as nonresponsive.

22) GRIEVANCE REDRESSAL/ COMPLAINT PROCEDURE

1. Bidder has the right to submit a complaint or seek de-briefing regarding the rejection of his bid, in writing or electronically, within 10 days of declaration of techno-commercial or financial evaluation results. The complaint shall be addressed to the concerned HoD (Personnel) (gmpers@cewacor.nic.in).
2. Within 10 working days of receipt of the complaint, the Tender Inviting Officer shall acknowledge the receipt in writing to the complainant indicating that it has been received, and the response shall be sent in due course after a detailed examination.
3. The Tender Inviting Officer shall convey the final decision to the complainant within 21 days of receiving the complaint. No response shall be given regarding the confidential process of evaluating bids and awarding the contract before the award is notified, although the complaint shall be kept in view during such a process. However, no response shall be given regarding the following topics explicitly excluded from such complaint process:
4. Only a bidder who has participated in the concerned Tender Process, i.e., bidding, can make such representation.
5. Only a directly affected bidder can represent in this regard.
6. Following decisions of the CWC shall not be subject to review:
 - i. Determination of the need for procurement.

- ii. Complaints against performance standards except under the premise that they are either vague or too specific to limit competition.
 - iii. Selection of the mode of procurement or bidding system.
 - iv. Choice of the selection procedure.
 - v. Provisions limiting the participation of bidders in the Tender Process, in terms of policies of the Government.
 - vi. Provisions regarding purchase preferences to specific categories of bidders in terms of policies of the Government.
 - vii. The decision to enter into negotiations with the L-1 bidder; and
 - viii. Cancellation of the Tender Process except where it is intended to subsequently re-tender the same Services.
7. During the execution of the contract, the service provider can also raise a grievance to HoD (Personnel) (gmpers@cewacor.nic.in).

23) DEFAULTS, BREACHES, TERMINATION, AND CLOSURE OF CONTRACT

23.1 TERMINATION OF CONTRACT FOR DEATH

If the successful bidder is a proprietary concern and proprietor dies or if the successful bidder is a partnership concern and one of the partner dies then unless, the Corporation is satisfied that the legal representative of the proprietary concern or the surviving partners are capable of carrying out and completing Contract, the Corporation is entitled to cancel the Contract for the uncompleted part without being in any way liable for any compensation payment to the estate of the deceased successful bidder and/or to the surviving partners of the successful bidder's firm on account of the cancellation of Contract. The decision of the Corporation in such assessment shall be final & binding on the parties. In the event of such cancellation, the Corporation shall not hold the estate of the deceased successful bidder and/or the surviving partners of successful bidder's firm liable for any damages for non-completion of the Contract.

23.2 TERMINATION DUE TO BREACH, DEFAULT, NON-PERFORMANCE AND INSOLVENCY

23.2.1 Default and Breach of Contract

In case the contractor undergoes insolvency or receivership; neglects or defaults, or expresses inability or disinclination to honour his obligations relating to the performance of the contract or ethical standards or any other obligation that substantively affects the Corporation's rights and benefits under the contract, it shall be treated as a breach of Contract. Such defaults could include inter-alia:

1. **Default in Performance and Obligations:** if the contractor fails to deliver any or all of the Goods/Services or fails to perform any other contractual obligations (including Code of Integrity or obligation to maintain eligibility and Qualifications based on which contract was awarded) within the period stipulated in the contract or within any extension thereof granted by the Corporation.
2. **Insolvency:** If the contractor being an individual or if a firm, any partner thereof, shall at any time, be adjudged insolvent or shall have a receiving order or order for the administration of his estate made against him or shall take any proceeding for composition under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or enter into any assignment or composition with his creditors or suspend payment or if the firm be dissolved under the Partnership Act, or
3. **Liquidation:** if the contractor is a company being wound up voluntarily or by order of a Court or a Receiver, Liquidator or Manager on behalf of the Debenture-holders is appointed, or circumstances shall have arisen which entitle the Court or Debenture holders to appoint a Receiver, Liquidator or Manager.

Notice for Default: As soon as a breach of contract is noticed, a show-cause ‘Notice of Default’ shall be issued to the contractor, giving two weeks' notice, reserving the right to invoke contractual remedies. After such a show-cause notice, all payments to the contractor would be temporarily withheld to safeguard needed recoveries that may become due on invoking contractual remedies.

23.2.2 Terminations for Default

Notice for Termination for Default: In the event of unsatisfactory resolution of ‘Notice of Default’ within two weeks of its issue as per sub-clause above, Corporation, if so decided, shall by written Notice of Termination for Default sent to the contractor, terminate the contract in whole or in part, without compensation to the contractor/ service provider/ consultant. Such termination shall not prejudice or affect the rights and remedies, including under sub-clause below, which have accrued and/ or shall accrue to the CWC after that. Unless otherwise instructed by the CWC, the contractor shall continue to perform the contract to the extent not terminated. All warranty obligations, if any, shall continue to survive despite the termination.

23.2.3 Contractual Remedies for Breaches/Defaults or Termination for Default

If there is an unsatisfactory resolution within this period, the Corporation shall take one; or more of the following contractual remedies: -

1. Temporary withhold payments due to the contractor till recoveries due to invocation of other contractual remedies are complete.
2. Call back advances of payment, if any, with the levy of interest at the prevailing rate (MIBID - Mumbai Interbank Bid Rate).
3. Recover liquidated damages and invoke denial clause for delays.
4. Encash and/ or Forfeit performance or other contractual securities and may blacklist/ debar the bidder for a period of 02 years.
5. Terminate contract for default, fully or partially including its right for Risk-and-Cost Procurement as per following sub-clause.
6. **Risk and Cost Procurement:** In addition to termination for default, the Corporation shall be entitled, and it shall be lawful on his part, to procure Goods/services similar to those terminated, with such terms and conditions and in such manner as it deems fit at the “Risk and Cost” of the contractor. Such ‘Risk and Cost Procurement’ must be contracted within six months from the breach of Contract. The Contractor shall be liable for any loss which the Corporation may sustain on that account provided the procurement, or, if there is an agreement to procure, such agreement is made. The Contractor shall not be entitled to any gain on such procurement, and the manner and method of such procurement shall be in the entire discretion of the CWC. It shall not be necessary for the CWC to notify the contractor of such procurement. It shall, however, be at the discretion of the CWC to collect or not the security deposit from the firm/ firms on whom the contract is placed at the risk and cost of the defaulted firm.
7. Initiate proceedings in a court of law for the transgression of the law, tort, and loss, not addressable by the above means.

23.2.4 Limitation of Liability

Except in cases of criminal negligence or wilful misconduct, the aggregate liability of the contractor to the Corporation, whether under the contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not to any obligation of the consultant to indemnify the Corporation.

23.3 TERMINATION FOR CONVENIENCE OF CWC AND FRUSTRATION

23.3.1 Notice for Determination of Contract: -

1. Corporation reserves the right to terminate the contract, in whole or in part for its (Corporation’s) convenience or frustration of contract as per sub-clause below, by serving written ‘Notice for Determination of Contract’ on the contractor at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of the Corporation or the frustration of the contract. The notice shall also indicate inter-alia, the extent to which the contractor’s performance under the contract is terminated, and the date with effect from which such termination shall become effective.
2. Such termination shall not prejudice or affect the rights and remedies accrued and/ or shall accrue after that to the Parties.
3. Unless otherwise instructed by the Corporation, the contractor shall continue to perform the contract to the extent not terminated.
4. All warranty obligations, if any, shall continue to survive despite the termination.
5. The Goods and incidental Works/ Services that are complete and ready in terms of the contract for delivery and performance within thirty days after the contractor’s receipt of the notice of termination shall be accepted by the CWC as per the contract terms. For the remaining Goods and incidental Works/ Services, the CWC may decide:
 - a. To get any portion of the balance completed and delivered at the contract terms, conditions, and prices; and/ or
 - b. To cancel the remaining portion of the Goods and incidental Works/ Services and compensate the contractor by paying an agreed amount for the cost incurred by the contractor, if any, towards the remaining portion of the Goods and incidental Works/ Services.

23.3.2 Frustration of Contract

1. Notice of Frustration Event: Upon a supervening cause occurring after the effective date of the contract, including a change in law, beyond the control of either party whether as a result of the Force Majeure clause or within the scope of section 56 of the Indian Contract Act, 1872, that makes it impossible to perform the contract within a reasonable timeframe, the affected party shall give a ‘Notice of Frustration Event’ to the other party giving justification. The parties shall use reasonable efforts to agree to amend the contract, as may be necessary to complete its performance. However, if the parties cannot reach a mutual agreement within 60 days of the initial notice, the Corporation shall issue a ‘Notice for Determining the contract’ and terminate the contract due to its frustration as in the sub-clause above.
2. However, the following shall not be considered as such a supervening cause: -
 - a. Lack of commercial feasibility or viability or profitability or availability of funds;
 - b. if caused by either party's breach of its obligations under this Contract or failure to act in good faith or use commercially reasonable due diligence to prevent such an event.

24) GOVERNING LAW, JURISDICTION AND RESOLUTION MECHANISM

1. General

This Contract shall be interpreted, governed by and construed in accordance with the laws of India (excluding any of its conflict of law rules which would direct or refer to the laws of another jurisdiction) for the time being in force and shall be subject to the exclusive jurisdiction of the appropriate courts.

2. AMICABLE RESOLUTION

- a) Any dispute, difference, or controversy of whatever nature howsoever arising under, out of, or in relation to the Agreement between the Parties and so notified in writing by either Party to the other (the "Dispute") in the first instance shall be attempted to be resolved amicably in accordance with the conciliation procedure set forth in sub-clause below.

- b) A Joint Committee with an equal number of representatives (those not directly involved in the day-to-day business operations of either party at the Facility) from CWC and Successful bidder (s) shall be constituted for the administration of the agreement. Any disputes arising out of the implementation of the agreement shall be looked into by this Joint Committee for Resolution.
- c) The Joint Committee comprising three authorized representatives including the concerned Regional Manager/ HoD of CWC and an equal number of authorized representatives of Successful bidder (s) concerned shall be authorized, after going into all pros and cons without jeopardizing the financial interest of CWC, as contained in the agreement, to amend the terms and conditions for smooth and hassle-free operation so long as the overall structure of this agreement does not change.
- d) In the event of any Dispute between the Parties, the other Party may require such Dispute to be referred to the Managing Director of CWC and the Chairman of the Successful bidder (s) or such persons nominated by them, for the time being for amicable settlement.
- e) Upon such reference, the said two persons shall meet not later than 30 days from the date of such request to discuss and attempt to amicably resolve the Dispute. If such meeting does not take place within the said period or the Dispute is not amicably settled within 30 days of the such meeting between the said two persons, either party may refer the dispute to arbitration or AMRCD or adjudication by the appropriate court, as the case may be.

3. DISPUTE RESOLUTION WITH PSUs/ GOVT ORGANZATIONS

Subject to amicable resolution as provided above, in the event of any dispute (other than those related to taxation matters) or difference relating to the interpretation and application of the provisions of commercial contract(s) between Public Sector Enterprises (PSUs/ Port Trusts) inter se and also between CPSEs/SPSEs and Government Departments /Organizations), such dispute or difference shall be taken up by either party for resolution only through AMRCD as mentioned in DPE OM No. 4(1)/2013-DPE(GM)/FTS-1835 dated 22-05-2018 or any revision/ clarification thereof . Any party aggrieved with the decision of the Committee at the First level (tier) may prefer an appeal before the Cabinet Secretary at the Second level (tier) within 15 days from the date of receipt of decision of the Committee at First level, through it's administrative Ministry/Department, whose decision will be final and binding on all concerned.

4. DISPUTE RESOLUTION WITH PARTIES OTHER THAN CPSEs / GOVT. ORGANIZATIONS

- a) The disputes, if not settled through Amicable Resolution, **having claim value more than Rs 10 crore**, shall not be considered for arbitration and shall directly be considered for adjudication by the appropriate court.
- b) Any dispute, disagreement, claim or other difference, having claim value less than Rs 10 Crore, arising out of or in connection with this Contract (a “Dispute”) shall be resolved as depicted below: -
 - 1. In case, the Parties are unable to resolve any Dispute through good faith discussion, either Party shall be entitled to refer such Dispute to arbitration by serving notice on the other Party.
 - 2. The arbitral tribunal shall consist of three members, one to be nominated by each party and the presiding arbitrator to be appointed by the two nominated arbitrators.
 - 3. The Parties agree that the arbitration proceedings shall be governed by the provisions of the Arbitration and Conciliation Act 1996 of India (or any statutory modification or re-enactment thereof for the time being in force). The language of the arbitration shall be English. The venue for such arbitration shall be as mutually decided.

4. The arbitral proceedings in respect of a particular dispute shall commence on the date on which the arbitrator call upon the party to file its claim.
5. The Consultant shall be obliged to continue to provide Service(s) to the CWC under the Contract or the Scope of Work, during the arbitration proceedings and no payment due or payable to the Consultant (except payment in dispute) shall be withheld on account of such proceedings.
6. The cost of arbitral proceedings shall be borne by the party/parties in the discretion of the sole arbitrator.
7. The arbitration award shall be a reasoned award. The same shall be final and binding on the Parties. The right to refer any Dispute to arbitration pursuant to this Clause shall survive the expiry or termination of the Contract.

25) DECISION OF THE TENDER AWARDING AUTHORITY

If, in the opinion of the Bidder, a decision made by any of the official of the CWC, is not in accordance with the meaning and intent of the Contract, the Bidders may file with the Tender Awarding Authority within seven (7) days after receipt of the decision. Failure to file an objection within the allotted time will be considered as an acceptance of the action/ decision taken by the Tender Awarding Authority and the same shall become final and binding.

SPECIAL TERMS & CONDITIONS

1. PERIOD OF CONTRACT

- a) Unless terminated under the provisions of any other relevant clause, the contract shall be for 02 years/till scope of work has been completed by the Audit Firm.
- b) Initially the BG shall be required to be submitted considering the contract period of 2 years, however, in case due to any reasons, if the completion of scope of work is delayed the contract period shall increase accordingly and, then extended BG shall be required to be submitted by the Audit Firm. Format of BG attached at **Exhibit-6**.
- c) In case, the audit firm fails to submit the extended BG within the stipulated time as desired by Corporation, then Corporation shall forfeit the originally submitted BG of the bidder before expiry of the claim period.

2. LIQUIDATED DAMAGES (LD)

a) Liquidated Damages for delay

If the Audit firm fails to perform the Services within the time frame(s) incorporated in the contract, owing to reasons truly attributable to the Audit firm, CWC shall, without prejudice to other rights and remedies available to CWC under the contract, deduct from the contract price, as liquidated damages for each week of delay or part thereof until actual delivery or performance, equivalent to an amount of 0.5% (Zero point five percent) per week of delay of the concerned unit/s eligible payment, subject to maximum 10% deduction.

b) Liquidated Damages for deficiency in Services

- (i) In case any query of CWC on submitted reports/ documents or any query regarding deployment of key personnel is not addressed within 03 working days, Corporation shall deduct Rs 2000/- per day as Liquidated Damages, till raised issue/ query of CWC is mitigated.

(ii) Key Personnel: - The Audit firm should ensure that the personnel proposed (in the pre-qualification criteria) for deploying for this project should be engaged as full time on role in Bidders firm. If at any moment of time it comes to notice of CWC that the proposed personnel differ from deployed personnel in terms of qualification/ experience without any prior approval of CWC, then Corporation reserves the rights to terminate the contract for breach.

- c) The total LD which can be deducted shall be limited to 10% of the total contract value. In case, the services of the consultant still remain un-satisfactory, post deduction of maximum eligible LD, then Corporation shall initiate termination of the contract due to breach.

3. Denial Clause:

- a) No increases in price on account of any statutory increase in or fresh Imposition of GST, or on account of any other taxes/ duty/ cess/ levy) leviable in respect of the Services and incidental goods/ works stipulated in the said Contract which takes place after the original delivery date shall be admissible on such of the said Services, as are delivered after the said date; and
- b) Notwithstanding any stipulation in the contract for an increase in price on any other ground, no such increase after the original delivery date shall be admissible on such Services delivered after the said date.
- c) Nevertheless, CWC shall be entitled to the benefit of any decrease in price because of reduction in or remission of GST, or because of any other Tax or duty or any other ground, which takes place after the expiry of the original delivery date.

4. LIABILITY OF THE AUDIT FIRM

- a) The Audit firm’s liability under this Agreement shall be determined by the Applicable Laws and the provisions hereof.
- b) The Audit firm shall, subject to the limitation specified in “c) below”, be liable to CWC for any direct loss or damage accrued or likely to accrue due to deficiency in services rendered by it.
- c) The Parties hereto agree that in case of negligence or willful misconduct on the part of the Consultant or on the part of any person or firm acting on behalf of the Audit firm in carrying out the Services, the Audit firm, with respect to damage caused to CWC’s property, shall not be liable towards CWC:
 - (i) For any indirect or consequential loss or damage; and
 - (ii) for any direct loss or damage that exceeds (a) the Agreement Value (as per agreement), or (b) the proceeds the Audit firm may be titled to receive from any insurance maintained by the Audit firm to cover such liability, whichever of (a) or (b) is higher.
- d) This limitation of liability specified in Clause “c) above” shall not affect the Audit firm’s liability, if any, for damage to Third Parties caused by the Audit firm or any person or firm acting on behalf of the Audit firm in carrying out the Services.
- e) **Documents prepared by the Audit firm to be the property of CWC**
 - All reports and other documents (collectively referred to as “Audit Reports”) prepared by the Audit firm in performing the Services shall become and remain the property of CWC, and all intellectual property rights in such Audit Reports shall vest with CWC. Any Audit Report, of which the owner or the intellectual property rights do not vest with CWC under law, shall automatically stand assigned to CWC as and when such Audit Reports is created and the Audit firm agrees to execute all papers and to perform such other acts as CWC may deem necessary to secure its rights herein assigned by the Audit firm.
- f) The Audit firm shall, not later than termination or expiration of this Agreement, deliver all Audit Report to CWC, together with a detailed inventory thereof. The Audit firm may retain a copy of such Audit Reports. The Audit firm, shall not use these Audit Reports for purposes other than this project to this Agreement without the prior written approval of CWC.
- g) The Audit firm shall hold CWC harmless and indemnified for any losses, claims, damages, expenses (including all legal expenses), awards, penalties, or injuries (collectively referred to as “Claims”) that may arise from or due to any unauthorized use of such Audit Reports, or due to any breach or failure on part of the Audit firm to perform any of its duties or obligations in relation to securing the aforementioned rights of CWC.
- h) **Materials furnished by CWC**
 - Materials made available to the Audit firm by CWC shall be the property of CWC and shall be marked accordingly. Upon termination or expiration of this Agreement, the Audit firm shall furnish forthwith to CWC, an inventory of such materials and shall dispose of such materials in accordance with the instructions of CWC.
- i) **Accuracy of Documents**
 - The Audit firm shall be responsible for the accuracy of the documents drafted and/ or vetted and data collected by it directly or procured from other agencies/authorities, estimates, and all other details prepared by it as part of these services. Subject to the provisions of this Clause (Clause 3 of Special Terms & Conditions), it shall indemnify CWC against any inaccuracy in its work that might surface during the implementation of the project if such inaccuracy is the result of any negligence or inadequate due diligence on part of the Audit firm or arises out of its failure to conform to good industry practice. The Audit firm shall also be responsible for promptly correcting, at its own cost and risk.
- j) **CONFIDENTIALITY**

Tender Document for “**Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28**”

1. The Audit firm, and its Personnel shall not, either during the term or within two years after the expiration or termination of this Agreement disclose any proprietary information, including information relating to reports, data, drawings, design software or other material, whether written or oral, in electronic or magnetic format, and the contents thereof; and any reports, digests or summaries created or derived from any of the foregoing that is provided by CWC to the Audit firm, and its Personnel; any information provided by or relating to CWC, its technology, technical processes, business affairs or finances or any information relating to CWC’s employees, officers or other professionals or suppliers, customers, or AUDIT FIRMS of CWC; and any other information acquired by the Audit firm or its employees and staffs during the E-Tender process and currency of this agreement ("Confidential Information"), without the prior written consent of CWC.
2. Notwithstanding the aforesaid, the Audit firm, and its Personnel may disclose Confidential Information to the extent that such Confidential Information:
 - (i) Was in the public domain prior to its delivery to the Audit firm, and its Personnel or becomes a part of the public knowledge from a source other than the Audit firm, and its Personnel;
 - (ii) was obtained from a third party with no known duty to maintain its confidentiality;
 - (iii) is required to be disclosed by Applicable Laws or the judicial or administrative or arbitral processor by any governmental instrumentalities, provided that for any such disclosure, the Audit firm, and its Personnel shall give CWC, prompt written notice, and use reasonable efforts to ensure that such disclosure is accorded confidential treatment; and
 - (iv) is provided to the professional advisers, agents, auditors, or representatives of the Audit firm or its Personnel, as is reasonable under the circumstances; provided, however, that the Audit firm or its Personnel, as the case may be, shall require their professional advisers, agents, auditors or its representatives, to undertake in writing to keep such Confidential Information, confidential and shall use its best efforts to ensure compliance with such undertaking.

k) OTHER SPECIAL TERMS & CONDITIONS

- (i) The firm will not be allowed to sub-contract the assignment to the other firm and violation in this regard will be treated as unsatisfactory and reported to ICAI/ICMAI
- (ii) The assignment may be terminated at the discretion of the Corporation at any time without assigning any reason.
- (iii) The Internal Auditor will be responsible for the quality of the internal audit, timely completion of audit and timely submission of the audit report to the Warehouse Manager/Regional Manager/Corporate Office through the Internal Audit Portal. Internal Auditor is fully responsible for the audit undertaken for the offer/units and non-reporting of any lapses/irregularities found at a later stage will be treated as unsatisfactory performance and this will be reported to ICAI/ICMAI for further necessary action as per rule/policy.
- (iv) Each bidder can apply only for one cluster. If any bidder applied for more than one cluster, the application of such bidder for all clusters shall be rejected and not considered for this tender.
- (v) Each bidder shall be eligible to apply only for the cluster in which the bidder maintains a Head Office. Such Head Office must be located within the State/Union Territory where the regional offices of the concerned cluster are established.
- (vi) In case of no bid situation in any cluster(s) or if suitable audit firms are not found for all clusters collectively, the entire tender process shall be scrapped.

PAYMENT TERMS

- a) The category wise amount shall be quoted by the bidder in the price bid format.
- b) Out of pocket expenses like Conveyance/travelling expenses, Hotel expenses etc restricted to 25% of the unit wise audit fee and shall be paid on the basis of submission of original bills.
- c) No separate TA/DA shall be allowed.
- d) No lodging facility shall be provided by CWC.
- e) In case any unit of the corporation is closed down or audit for that particular unit is not required for any other reason, the auditor shall not be entitled to any fees related to that specific unit.
- f) The bill shall be raised by the audit firm after submission of report of particular unit as well as review of the reply submitted by the auditee.
- g) The pre-receipted Tax invoice for audit fee indicating GSTIN, Bank Detail with IFSC Code, PAN etc. shall be submitted to concerned Regional Office i.e., audit firms need to submit invoice state wise to the concerned Regional Office.
- h) The concerned Regional Office be consulted for preparation of bill for quoting GSTIN of respective state under that Region.
- i) No advance payment shall be made.
- j) The price quoted by the bidder and when accepted by CWC vide LOA shall remain firm and will not vary during the currency of contract. However, prevalent GST at the time of billing may vary.
- k) Liquidated Damages, shall be levied for not meeting the timelines.** However, the delay attributable to CWC shall not be counted as delay in the selected bidder’s work. Although, the bidder shall be required to submit the relevant proofs stipulating that the delay is attributable to CWC.
- l) The bidder shall be required to submit the undertaking as per **the Exhibit-10 attached with the tender document**, in case the bidder is not submitting the e-Invoices.
- m) CWC is aiming towards Zero Paper Usage (ZPU) and accordingly the service provider is shall mandatorily be required to submit digitally signed invoices and digitally signed supporting documents & to monitor the real time status of the invoices raised by the service provider. BANK GUARANTEE

(To be submitted on non-judicial stamp paper of appropriate value purchased in the name of the issuing Bank.)

This Deed of Guarantee made this _____ day of _____ between _____ (Name of Bank) having its registered office at _____ (Place) and one of its local offices at _____ (hereinafter referred to as the “**Surety**”), in favour of Central Warehousing CWC, a statutory CWC established under the Central Warehousing CWC Act,1962, having its Corporate Office at 4/1, Siri Institutional Area, August Kranti Marg, Hauz Khas, New Delhi-110026 (herein after referred to as “**CWC**”).

WHEREAS M/s _____ (hereinafter referred to as “**Supplier**”) having its registered office at _____ is bound to furnish Performance Guarantee in the form of Bank Guarantee with CWC in connection with the agreement at _____ (name of the Region)

WHEREAS the Supplier as per Clause No. 7 of the Contract has agreed to furnish a Bank Guarantee for Rs. _____.

NOW THIS WITNESSETH:

1. That the Surety in consideration of the above Tender made by the Bidder to CWC hereby undertakes to pay on demand by CWC and without demur and without notice to the Supplier, the said amount of Rs.____ (Rupees _____).
2. The Surety agrees that CWC, at its option, shall be entitled to enforce this bank guarantee against the Surety as a principal debtor, in the first instance, without proceeding against the Supplier and notwithstanding any security of other guarantee that CWC may have in relation to the Supplier’s liabilities.
3. The Surety guarantee and undertake to pay to CWC within two (2) business days after receipt by CWC, of a demand complying with the requirements of this bank guarantee on first demand in writing any / all moneys to the extent of INR _____ (in words) without any demur, reservation, recourse, contest or protest and without any reference to the Supplier. Any such demand made by Company on the Bank by serving a written notice, shall be conclusive and binding, without any proof whatsoever, as regards to the amount due and payable, notwithstanding any dispute (s) pending before any court, tribunal, arbitrator or any other authority and / or any other matter or thing whatsoever, as Bank’s liability under these presents being absolute and unequivocal.

Tender Document for **“Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28”**

4. For the purposes of Clause 3, “business day” means a day on which commercial banks are open for business in [mention city of the bank branch].
5. This bank guarantee shall not be determined, discharged or affected by the liquidation, winding up, dissolution or insolvency of the Supplier and shall remain valid, binding and operative against the Surety. The bank guarantee shall not be discharged by any change in Surety’s constitution, constitution of CWC or that of the Supplier or change in appropriate laws.
6. The Surety agrees that CWC shall have the fullest liberty without the Surety’s consent and without affecting in any manner, Surety’s obligations hereunder to vary any of the terms and Conditions of Contract or to extend time for performance of the Contract by the said Supplier and to enforce, or to forbear to enforce any of the terms and conditions relating to the Contract and the Surety shall not be relieved from its liability by reason of any such variation, or extension being granted to the Supplier or any forbearance, act or omission on the part of CWC or any indulgence shown by CWC to the Supplier or any such matter or thing whatsoever which under the Applicable Laws may, but for this provision, have effect of relieving the Bank.
7. The Surety hereby agree and acknowledge that this guarantee is irrevocable and shall remain in full force till it is fully and finally discharged by CWC in writing or [insert date] whichever is later, and all dues of CWC under or by virtue of the Contract have been fully paid and all its claims satisfied or discharged.
8. The Bank also agrees that this bank guarantee shall be governed and construed in accordance with Indian laws and subject to the exclusive jurisdiction of Courts at New Delhi.
9. All charges, fees, commission and other costs shall be to the account of the Supplier. Failure of the Supplier to make such payments shall not in any way affect the Surety’s obligation under this bank guarantee and CWC shall be paid the money due to it under this bank guarantee without any deduction.
10. The Surety confirms that this bank guarantee has been issued with observance of appropriate laws of India.
11. Notwithstanding anything contained hereinabove:
 - (i) Surety’s liability under this bank guarantee is limited to INR _____ (in words) and Bank’s guarantee shall remain in force until [insert date].
 - (ii) Any claim under this bank guarantee must be received by Surety or or before [insert date]. If no such claim has been received by us by the said date, the right of CWC under this bank guarantee will cease.
 - (iii) Any letter from the CWC to the Manager, (Insert Branch name) branch of the Surety, under the seal of CWC shall be deemed to be sufficient and valid demand for payment under this bank guarantee.
 - (iv) The Bank undertakes not to revoke this bank guarantee before the expiry of this bank guarantee including during extension period, if any.

Cover message for this Bank Guarantee has been sent to CWC bankers i. e. ICICI Bank, 9 Phelps Building, Connaught Place, New Delhi, (IFSC Code: ICIC0000007) through Structured Financial Messaging System (SFMS).

In witness whereof, the Surety through its authorized officer has set its hand and stamp on this [insert date] day of [insert month], [insert year] at [insert place of execution].

- i) To maintain and use the confidential information only for the purposes of tendering for this Bid and only as permitted herein;
 - ii) To only make copies as specifically authorized by the prior written consent of CWC and with the same confidential or proprietary notices as may be printed or displayed on the original;
 - iii) To restrict access and disclosure of confidential information to such of their employees, agents, consultants and representatives strictly on a “need to know” basis, to maintain confidentiality of the confidential information disclosed to them in accordance with this clause;
 - iv) To treat confidential information as confidential unless and until CWC notifies thereof release of its obligations in relation to the said confidential information.
- b) Confidential information does not include information which;
- i) The Bidder knew or had in its possession, prior to disclosure, without limitation on its confidentiality;
 - ii) Is independently developed by the Bidder without breach of conditions under this Tender;
 - iii) Information in the public domain as a matter of law;
 - iv) Is received from a third party not subject to the obligation of confidentiality with respect to such information;
 - v) Is released from confidentiality with the written consent of CWC. The Bidder shall have the burden of proving herein above are applicable to the information in the possession of the bidder.
- c) Notwithstanding the foregoing, the Bidder acknowledges that the nature of activities to be performed as part of the Tendering process may require the bidder’s personnel to be present on premises of CWC or may require the ’s personnel to have access to software, hardware computer networks, databases and storage media of the CWC while on or off premises of CWC. It is understood that it would be impractical for CWC to monitor all information made available to the Bidder’s personnel under such circumstances and to provide notice to the Bidder of the confidentiality of all such information. Therefore, the Bidder agrees that any technical or business or other information of CWC that the Bidder’s personnel representatives or agents acquire while on CWC premises, or through access to computer systems or databases while on or off CWC premises, shall be deemed confidential information.

Tender Document for **“Appointment of Internal Auditor for various locations of Central Warehousing Corporation for the Financial Year 2026-27 & 2027-28”**

- d)** Confidential information shall at all times remain the sole and exclusive property of CWC. Upon completion of the tendering process, confidential information shall be returned to CWC or destroyed, if incapable of return. The destruction shall be witnessed and so recorded, in writing, by an authorized representative of CWC. Nothing contained herein shall in any manner impair rights of CWC in respect of the confidential information.
- e)** In the event that the Bidder becomes legally compelled to disclose any confidential information, the Bidder shall give sufficient notice to CWC to enable CWC to prevent or minimize to the extent possible, such disclosure, shall not disclose to a third party any confidential information or the contents of this Bid without the prior written consent of CWC. The obligations of this Clause shall be satisfied by handling confidential information with the same degree of care, which the Bidder applies to its own similar confidential information but in no event less than reasonable care.
- f)** The obligations herein shall survive the completion or cancellation of the Tendering process.

CHECKLIST GENERAL WAREHOUSES

1. CASH

- Revenue Stamps, warehouse receipt stamps, postage stamps etc. should be verified physically with reference to the relevant records.
- To see that duplicate key of the godown and cash chest have been deposited into the bank with reference to bank receipt obtained in this regard.
- To verify that the Imprest Book / Cash Book and Temporary Advance Books have been properly maintained in accordance with the instructions issued from time to time. Further, the physical balance of Imprest/ Temporary Advance are tallying with the balance as per the Imprest and Temporary Advance book maintained in WMS.
- To review the insurance cover for cash in chest/cash in transit in reference to the amount of transactions in the warehouse. Further, a copy of the Insurance Policy to be retained at the warehouse and cross checked with the actual quantum of transaction undertaken.
- To check if the warehousing charges collected through cash books tally with the corresponding delivery orders issued and if check for any discrepancies.
- To check the Register maintained to record the receipt of warehouse receipt books/ cash receipt books, acknowledgment books and cash book and check for books in use/already used/balance at the warehouse.
- To check whether the Cash receipt are generated through WMS
- The Internal Audit Team will also audit the Imprest Account and Temporary Advance Accounts with reference to the original vouchers pending in Warehouse for submission to Regional Office.
- To review that the monthly Cash Book is being submitted regularly to Regional Office in accordance with the instructions contained in Corporate Office Circular No. CWC/Fin-Stg Instructions dated 2.12.82 and No. CWC/Fin-Stg. / Instructions /84 dated 27.3.1984.
- Copy of budget, as received from the Regional Office, to be checked and examine whether the expenditure incurred through Imprest and Temporary Advance are justified and within the budgetary limits fixed for the Warehouse.
- To verify that the Budgetary Control Register is being maintained properly and where the monthly limits have been exceeded, ex-post-facto sanction has been sought for from the competent authority.
- To verify whether the expenditure incurred on any item has exceeded the power delegated to the Warehouse Manager, the sanction of competent authority has been obtained.
- To check that the Cheque/DD Register has been properly maintained. To verify that the Cheque/DDs and the cash received have been deposited into the bank regularly within the stipulated time. In case, there has been delay in depositing the same, the reasons may be obtained

from the Warehouse Manager and it should be satisfied that the action was justified.

- To check that the Storage Charges due against any delivery order have been received and accounted for in the Cash Book and to test check computation of Storage Charges. Where credit facility has been extended to any depositor, it should be verified, whether approval of the competent authority has been obtained.
- Whether the Monthly Bank Statements in respect of Collection Account have been arranged for Regional Office regularly by 7th of every month detailing thereby the statement of every deposit (bill wise) made in the bank account as prescribed by Finance Division.
- To verify that the Temporary Advances remitted by Regional Offices have been spent for the purpose for which these were sent and have not been used for any other purpose without prior approval of the competent authority. To see also that the accounts are rendered to the proper authority in time and the unspent balance remitted to account/deposited into the Bank as the case may be, without delay.
- To check that cash payments for purposes other than advances do not exceed the threshold limit fixed by the corporation as per the applicable laws in force.

2. RECEIPT OF STOCKS

- To verify that all deposit applications are serially numbered, duly signed by the depositor and acknowledged by the Godown-Keeper after approval by Warehouse Manager.
- To check that whether all warehouse receipts have been issued through software/s in force.
- To check that negotiable warehouse receipt is issued only in case of food grains for which proper grading/analysis facility exists with the corporation. For other notified commodities where grading/analysis are not available with the corporation, no negotiable warehouse receipt has been issued. However, warehouse receipt has been insisted upon, the same has been done after the proper analysis from the NABL, Laboratory by sending the samples. Check whether the cost of testing has been charged to the depositor.
- To check that in case of receipt of stock above the moisture limit, whether the prescribed procedure has been followed for acceptance of such stocks.
- To check whether the procedure followed for ensuring quality of stocks is as per the prescribed procedure.
- To check that Warehouse Receipt/Acknowledgement has been issued simultaneously on the date of deposit and all the columns have been properly filled therein.
- To review the Weight-check Memo Register and test check that the weight as shown in the Weight Check Memo Register tallies with the weight recorded in the Deposit Application, Stock Register and other relevant records. In case the stock has been received and weighed at Weighbridge, the Weighbridge Register should be examined and tallied with the receipt of stocks.
- Where the materials have been received by Rail, it should be verified that: -

I. Entries in Railway Receipt Register have been properly made against each RR & Wagon No.

- ii. Shortages and excess received against each wagon and RR have been properly indicated in the RR Register.
- iii. To verify that H&T Contractor has obtained the requisite shortage certificates from the Railways.
- iv. The claim of shortages has been filed with the Railways or the shortage certificates have been sent to the depositor for lodging the claim, as the case may be.
- v. To verify the Unloading Register, whether the number of bags brought to the Warehouse has been properly accounted for in the Stock and other relevant records.
- vi. Intimation to the depositors has been sent regarding the quantity of stock received and the shortages noticed. Whether transit and storage losses are properly reported to the depositors, pursued and settled.
- vii. To reconcile the total receipt accounted for in the Stock Register with reference to Railway Receipt Register.
- viii. To review the Railway, Claim Register.
- ix. To review the Sweepings, register in respect of loose stocks collected by the sweepings and the station platform.
- x. Test-check the receipt of stock as per truck-chits and Gate Inward Register to ensure that the work-slip issued to the Contractor are as per entries in the RR Register, Stock Register.
- xi. In case of any remarks in the acknowledgement to the effect that bags are received in cut and torn condition or damaged condition, it may be enquired whether 100% weighment has been done and shortage/damage quantity has been reponed/intimated to the depositor.

3. ISSUE OF STOCKS

- To verify that every issue is supported by the Delivery Order, signed by depositor, authorized by Warehouse Manager and signed by Godown-keeper after delivery of the stocks. The receipt of stock should be acknowledged by the depositor in the same delivery order Signed by depositor (physical Hard Copy)
- To check that whether all delivery orders have been issued through software/s in force.
- To see that the Delivery Orders are serially numbered. To check the entries of the deliveries with office copy of the Warehouse Receipt in Stock register, depositor ledger and other relevant records.
- To verify that the Warehouse Receipts against which all the deliveries have been affected have been cancelled and sent to Regional Office along with Monthly Cash Book Account. It may also be verified that Warehouse Receipt Issued and Cancellation Register is being maintained properly.
- To verify that the gate passes have been issued properly and test check the same with reference to the delivery orders and entries in the Gate Pass Register.
- Whether the stocks have been dispatched by rail as per instructions of the depositor, it is to be

verified that no shortage has been reported at destination.

- To verify that the work slips issued to the H&T Contractor are for the same quantity as per delivery orders or wagon dispatches.
- To check that the balance in number and weight of the stock received and issued in the Stock Register and Depositor tally. If there is any difference in two records, the same should be reconciled.
- To verify that the losses and gains during storage are properly indicated in the Stock Register, Master Register and Stack-Card/Stack-wise Register. Checking the balances, both in terms of number and weight becomes more important when the Inspecting Officer or Regional Manager has pointed out some discrepancies in the stocks.
- Whether all issues have been made against proper Release Orders/ Delivery Orders.
- Whether Release Order Register is maintained properly and the entries of issues are being entered in this register and also on the back of Release Order.

4. STORAGE

- To verify that the stocks against each Warehouse Receipt have been accounted for in the Stock Register and the Depositor Ledger both for receipt as well as delivery.
- Whether Stack-cards are maintained in respect of Stocks.

5. STANDARDIZATION OPERATION/SALVAGING OPERATION:

- Check authorization of depositor for such operation.
- To check that whether Standardization register, Palla Account Register, Stackwise Register & Empty Gunny Bag register have been maintained through software(s) in force.
- Check Standardization Register with reference to Standardization Report and Daily Transaction Report.
- Check work-slip issued with reference to Standardization Report and Daily Transaction Report.
- Check that the empty gunnies supplied/released at the time of standardization have been accounted for in the Empty Gunny Register properly.
- Check new empty gunnies used for standardization and their accounting in Empty Gunny Bag Register.
- To check whether empty gunnies at any time exceeded 1% of the total number of bags for which space is reserved and whether for the excess, storage charges at usual rates on weekly/monthly basis have been claimed and realized.
- Check that the standardization loss/gain has been properly accounted for in the relevant records and necessary intimation has been sent to depositor sand Regional Office/Corporate Office.
- Whether Palla Account Register of sweepings/spillage is maintained properly.
- Whether Stack-card Register/Stack-wise Register is maintained properly.
- Reconcile the balance of stock as per Stock Ledger, Depositor Ledge and Stack-wise Register.

6. PRESERVATION OF THE STOCKS:

- Verify that the chemicals received and issued are based on receipt certificate and indents authorized by Warehouse Manager and also verify chemicals received are having sufficient expiry date.
- Co-relate the entries of issue of chemicals in the consumable Stock Register with reference to Fumigation/Spray Register.
- Check that the consumption of chemicals for fumigation/spraying is as per prescribed dosage.
- Check the consumption of chemicals and co-relate with MTPR, MCR and Fumigation Report.
- Check whether the charges for initial fumigation of stock has been recovered from the concerned depositor.
- Check that fortnightly inspection are being carried out by the technical staff and record maintained properly;
- Check whether deterioration of quality of the stock has been reported and if so, whether remedial measures have been taken.
- Whether the Regional Manager has arranged for a complete physical verification of stocks in the Warehouse periodically, as prescribed in the Inspection Manual.
- Check whether there are complaints by any depositor on poor preservation of stocks by duly verifying Complaints Register.

7. BILLING OF STORAGE CHARGES

- Examine the procedure of billing relating to the reserved storage space in respect of the parties to whom credit facilities are given.
- To check that whether all bills have been issued through software(s) in force.
- Verify that the monthly bills are raised in time and the payment collected from the depositor within the stipulated time.
- Check Storage Charges Bills Register and ascertain the reasons for non-realization in respect of pending Bills. Also examine the correspondence in respect of pending bills.
- Verify that the stocks have not exceeded the reserved capacity. If so, whether the bills for the stock received over and above the reserved capacity, have been raised on the depositors and amount realized.
- To see that mode of billing for over and above stock is in order. Test Check some bills of this nature.
- Check the storage tariff charges as per the standard rates or as agreed with the depositor with the approval of competent authority. The discounts offered are with the prior approval of competent authority.
- Check that insurance charges have been billed wherever applicable.
- Check that the value of stock has been declared by the depositors and same has been taken in the insurance register for the purpose of insurance declarations.

- To check that GST wherever applicable has been charged in the bills raised on the depositors.

8. H&T Operations

- Examine whether the contract of H&T contractor is valid, Test check H&T contractor bills.
- Review the contract and the documents furnished like bank Guarantee as per the terms of the tender.
- Verify whether bill for the reimbursement of H&T charges have been sent to Regional Office with necessary certificates for raising the claim on depositors.
- Verify that the shortage noticed at destination in the wagon dispatches have been recovered from the H&T's Bills, while submitting the bills to the Regional Office.
- Verify, if the contractor has brought any smaller number of bags that unloaded at station and, if so, whether the recovery h's been made from the contractor's bills promptly.
- To verify that recovery of demurrage/wharfage charges, if any, has been made from contractor.
- To verify that the work-slips are issued daily and H&T Bills of the Contractor are submitted monthly and regularly.

9. INSURANCE

- Test-check the Insurance Register and see that it is being maintained properly.
- Examine two/three dates and see that the stocks taken in Insurance Register tally with the stock balance in Stock Register.
- Valuation is properly done and is correct.
- Monthly declarations are being sent to regional office.
- Examine any insurance claims pending and whether the documents are requested by the insurer have been submitted on time.
- Check that hazardous and non-hazardous stocks are stored separately.

10. MISCELLANEOUS

- Check the Bank Lien Register with regard to the stocks hypothecated with the bank for taking loan by the depositor and value of goods is recorded properly in the warehouse receipts.
- To check the TDS certificates Register. Check that all TDS certificates have been forwarded to RO and matter has been taken up with the depositor for any excess/short TDS amount reflected in TDS certificates.
- To check whether the TDS as appearing in the books of accounts tallied with the Form 26AS.
- To verify the records of own construction Godowns i.e., area of land used in construction of Godowns (sq. yards/sq. meters/sq. feet), date of registry/conveyance deed, date of mutation, cost of land in rupees. If the land is on lease basis, amount paid for lease rental to be checked.
- Study the files relating to the bulk depositors and see whether there is any dispute with the depositor.
- Study the confidential files available at the Warehouse.

- To verify that whether all files have been maintained digitally through software/s in force like e- office.
- Verify that the discrepancies pointed out by Inspecting Officers have been complied with.
- Review that all the instructions issued by Corporate Office and Regional Offices are being complied with.
- Examine the various registers maintained at the Warehouse e.g., Complaint Register, Dead Stock Register, disposal of damaged stocks of materials, Chowkidar Duty Register, Godown Opening and Closing Register, Casual labor Register supplied by the Contractor.
- Verify that all the returns are sent regularly to Corporate Office and Regional Offices as per instructions issued.
- Verify that all the returns required by depositors are being sent regularly as per clarifications of the depositor.
- Examine the economy of the Warehouse.
- It should be examined whether the procedure adopted in the Warehouse is in accordance with the instructions issued Corporate Office and see that there are no loop holes in the procedure adopted by the Warehouse.
- Whether the Gunnies (serviceable/unserviceable) Account of the various depositors are being maintained properly.
- Check Attendance Register with regard to the information given in the Monthly Absentee Statement sent to Regional Office for drawing the salary. Also verify the weekly off given to the daily rated staff.
- Check amount spent on casual labour and ensure such engagement of casual labour is within the norms of Corporation.
- To review the Dead-Stock Register in the Warehouse and to ensure that physical verification by the Inspecting Officer and warehouse Manager has been carried out periodically.
- To check the Recovery Register in respect of advances like Festival Advance or any other advance, as applicable from time to time, granted to the staff in the Warehouse.
- To check the TA Advance Register and submission of Bills along-with supporting documents thereof and verify whether these are being settled within the allowable time period.
- To check that warehouse building is properly maintained.
- To check any dispute with the landlord or the state administration over payment of rent, payment of cost of Land lease charges/payment of stamp duty and whether the same is being attended to regularly.

CHECKLIST CUSTOM BONDED WAREHOUSES

- To see that SAC has been issued on receipt of application in the prescribed form from the bonder and the warehouse charges have been realized in cash for the minimum period of two weeks.
- In case of S.A.Cs issued for storage of goods pending clearance under Section 49 of Customs Act, it may be verified whether Customs approval had been obtained.
- Whether at any stage SAC was issued for space in excess of the reservation and charges for excess, if any, have been realized.
- Whether at any stage SACs were issued for an area more than bonded space available with the units (to be verified from SAC Register and the Space Register).
- To see that if the initial period of reservation of 2 weeks is extended for a further minimum period of 2 weeks at a time, the Storage Charges for the extended period have been collected in cash at least one week before the expiry of initial period of reservation.
- To check that the Storage Charges are collected at the rate/tariff prescribed from time to time.
- To check that the Insurance Charges are collected at the rate prescribed from time to time.
- To see that if the depositor has its own arrangements of insurance of goods, the Insurer has made endorsement on the Insurance Policy to satisfy the requirements of law relating to bonding of goods and dues of the Corporation.
- To check that Deposit Application is supported by B.O.E. duly signed by Customs Authorities.
- To check the entries of receipts in Depositor/Stock/Bond Register with reference to Truck Chit and Deposit Application.
- To see that the delivery of goods has been made against S.O.E. and D.O. (out of charge) of the Custom Authorities.
- To see that the following registers are being maintained and entries updated
 - (a) SAC Register
 - (b) Waiting List Register
 - (c) Bond wise Register
 - (d) Space Register
 - (e) Time-barred Bind Register
 - (f) Bank-Lien Register
 - (g) Reservation Register
- To check entries of issues in the Deposit/Stock/Bond Registers with reference to Delivery/Release Orders and Gate Pass.
- To check that Gate Pass issued by the Godown In-charge is duly entered in the Gate Out Register with complete particulars.

- In case the work of transport, handling and weighing of goods is entrusted to the CWC, to check that necessary Handling Charges at the rate prescribed from time to time have been collected in cash before delivery of goods.
- To see that the current handling contract is valid and the contractor had deposited the prescribed Security Deposit.
- To see that the Work-slips to the contractors are issued on day-to-day basis. The work-slips issued to the contract or for a period, as decided, to be checked.
- The check-list for checking/scrutiny of Cash/Imprest/Temporary Advance Books will be the same as prescribed in case of General Warehouse.
- Check any cases of storage loss and the status there of.
- In case of any insurance claim whether the necessary documents as asked by insurers have been submitted in time and any deviation to be reported.
- To see that the number of time barred bonds and expired bonds. What action has been taken for auction of time barred bonds. Whether due intimation has been given to depositors/customs that corporation is not responsible in case of any loss or damage due to fire, flood or other risk etc.
- Check the cost of recovery charges paid to the customs staff and whether they have correctly charges.
- Review the maintenance contract bills.

Annexure “X3”

CHECKLIST FOR AUDIT OF CFS/ICD/ICP

S. No	Particulars	Obligation as per Agreement	Actual Date of execution	Remarks
1.	Date of commencement of service	Date as per relevant clause of agreement	Actual date from which billing commenced	Discrepancy, if any, along-with reason.
2.	Date of raising of invoice	Date as per relevant clause of agreement	Actual date of raising of bill	Discrepancy, if any, along-with reason.
3.	Date of receipt of amount from SAMO	Timelines as per the Agreement	Actual date of receipt of amount	Discrepancy, if any, along-with reason.
4.	Charging of penal interest in reference to delay as under:			
	i.Delay of raising of invoice	Date of charging interest at the rate prescribed	Actual date of raising invoice/demand note for charging penal interest	Discrepancy, if any, along-with reason.
	ii. Delay in receipt of amount from SAMO	Date of charging interest at the rate prescribed	Actual date of raising invoice/demand note for charging penal interest.	Discrepancy, if any, along-with reason.
5.	Whether billing in reference to income and reimbursement done as per terms of the agreement	Fixed fee/ variable fee and reimbursement invoices raised as per the terms of the contract	Actual billing to be verified	Discrepancy, if any, along-with reason.
6.	Insurance of stock stored by the depositor as well as properties and assets of the Corporation.	The valuation for insurance purpose of stock stored by the depositor shall be as per the prevailing guidelines of the corporation.	Actual valuation taken for insurance of stock.	Discrepancy, if any, along-with reason.

In addition to above, following transaction/activities needs to be reviewed on sample basis during the course of audit, **where the sample from each month shall be taken:**

1. IMPORT-

- To see that the charges are remitted by the Shipping Lines through cheques, to verify that all the cheques /cash have been properly accounted for in Cash Book at CFS and cheques have been credited to the CWC Account and realization of cheques watched. The realizations are to be linked with the requests made by the Shipping Lines and the time of movement of containers.
- To review if third party cheques have been received and if so, whether the same is as per the authority and if any instances of dishonor of cheques are there, the necessary action has been taken with the depositor and also ensure that the cheque shall not be accepted from such parties in future and to accept only **Demand Draft** or **Direct Bank transfer**.
- Time of movement of container noted on truck-chit issued by ICD to be linked with C.F.S. Entry Gate Register to examine whether container moved in the F.N. from ICD was received in F.N. or A.N. at CFS.
- To examine the cases where, on inspection, the seal of the container was found tampered and what action has been taken by the warehouse manager.
- Container wise /Shipping line-wise Stocks Register to be checked with reference to entries in the Master Stock Register.
- The entries in the Stock Register of Import Unit to be checked with reference to tally sheet prepared at the time of destuffing. Also, to verify whether such a statement has been signed by all concerned i.e., Customs, Handling Agent, Shipping Lines and the CWC.
- Storage Charges/Entry Fee/Demurrage Charges collected at the time of delivery of stock, as per Import Cargo Statement, to be checked 100%.
- In the Bill of Entry and Bill of Lading submitted by the party importing goods, the Customs clearance is to be verified.
- To check for cargo not cleared, i.e. uncleared cargo for long time and whether billing done.
- Whether signatures of the party, who imported the goods, or their authorized agent, obtained on the Gate pass.
- To check cheques/cash realization with the statement received from staff posted at ICD.
- To check that billing has been done correctly as per the prevalent tariff or tariff agreed.
- To ensure that no consignment of import is left without billing and internal control exists to verify the same.

2. EXPORT: -

- Whether Application made by the Exporting Agents accompanied by Shipping Bill Number, Carting Order etc.
- To verify the Entries in the Stock Register with reference to Cargo Declaration Form, Acknowledgement and other documents furnished by the Export Agent.
- To link up Cargo Declaration Form with Gate Register where entry for empty truck is recorded.
- Acknowledgement issued to be linked with stock entry. Cargo Declaration Statement and other documents submitted by the Export Agent.
- DTR statement to be test checked with reference to Gate Entry(Inward as well as Outward).
- H&T and other charges collected to be verified 100%.
- Movement of container right from the day of entry upto the time it leaves warehouse to be linked with charges collected, to verify whether demurrage and other charges have been collected as per tariff.
- To verify if the Shipping Lines have utilized more space than reserved and ORC Billing done and realized. Turnover billing has also to be checked.
- Storage Charges Bill Registers to be test checked.
- Billing for Empty Container to be test checked.
- To check whether correct storage tariff and billing for the full period of storage, full movements/handling have been billed.
- To check for cargo not cleared, i.e. uncleared cargo for long time and whether billing done.
- To check that no consignment remains unbilled and there IS internal control system to verify the same.

3. GENERAL: -

1. To verify at random correctness of the classification given for various transactions such as: -
 - i. Warehousing Incomes
 - a. Storage Charges
 - b. Ground Rent- Empty ground rent/ loaded ground rent
 - ii. H&T Charges:
 - a. Transportation
 - b. Handling
 - c. Miscellaneous (Custom Examination etc.)
 - iii. Miscellaneous Receipt: Over time charges, fumigation charges - to ensure that proper account is maintained.
 - iv. Bank Charges: Amount recovered from C.H.As. for outstation cheques/DDs.

2. To review the rates of operation and amount to be collected from the importer/ exporter under various heads.
3. To check whether the reconciliation of work slip issues has been done with regard to containers Gate in/Gate out and whether collection of various charges has been made as per works slips issued.
4. To see that charges remitted by the Shipping Lines by way of D.D/cheque. In respect of L.C.L. Container and C.H.As. by Cash/DD/Cheques for movement of the containers from port to C.F.S. are properly linked with container movement.
5. To ensure that physical verification certificate of cash has been recorded together with denominations thereof in the Cash Book.
6. To ensure that payments received by way of cheques are honored and if dishonored due to any reason, action taken for recovery of CWC charges and in case of dishonored cheque, ensure cheque shall not be received and accepted from such parties and to accept only **Demand Draft or Direct Bank Transfer**.
7. Whether amount has been collected in time from the CHAs/Shipping line and any outstanding from them.
8. Check whether TDS certificates have been received from the parties for TDS deducted.

Procedure of Container Movement:

- Time for movement of the container noted on truck-chit issued by Port to be linked with Entry Gate Register of CFS/ICD/ICP to examine whether the container moved in the forenoon/afternoon from port was received in F.N. or A.N. at CFS/ICD/ICP.
- To examine the cases where on inspection seal of the containers was found tampered and action taken thereon.
- Container-wise/Shipping Line-wise Stock Register to be checked with reference to the entries in the Master Stock Register.
- The entries in the Stock Register of Import Unit to be checked with reference to tally the sheet prepared at the time of destuffing. Also, to verify whether such a statement has been signed by all concerned, i.e., Customs, Handling Agent, Shipping Lines and the CWC.
- In the Bill of Entry and Bill of Lading submitted by the party importing goods, the Customs clearance to be verified.

To check for cargo not cleared, i.e. uncleared cargo for long time and whether billing done.

- Whether signatures of the party, who imported the goods or their authorized agent, obtained on the Gate Pass.

Accounting of Storage Charges

- To test check that the basic data given by the Import Section is factually correct with reference to original record maintained in the Import Section.
- To verify that the assessment of Storage/Handling Charges in respect of (1) above is correct with reference to approved tariff.
- To verify from Cash Book that the amounts due as per payment sheet have been actually realized.

- To verify Custom Examination Register maintained in the Import Section and ensure that wherever destuffing and re- stuffing has been done for re-export or transfer of cargo from port CFS to ICD, and whether- necessary charges per TEU have been collected.
- To verify the Lock Register maintained by the Import Section and ensure that necessary charges per lock per night have been collected at prescribed rates and the same have been duly accounted for.
- To verify Gate Register and ensure wherever containers have been received for customs seal, whether Entry Fee at prescribed rates per TEU has been collected.
- To verify whether any loaded containers have been received from Port /places other than port and ensure that necessary charges have been collected thereof.
- In case of FCL containers, if Cargo h s been destuffed in the godown from the Container Yard at the request of the Importer, ensure that necessary lift-on charges per TEU are collected. (F.C.L. containers are not generally de-stuffed in the godown now).

Billing:

- To verify cent-percent bills raised by CFS against the Shipping Lines against the advances received from them on account of following charges:
 - a) Transportation of loaded LCL Containers from port yard to CFS.
 - b) Empty Container Ground Rent at CFS.
 - c) Lift-on Charges for empty container moved to private godowns of Shipping Lines.
 - d) Lift-off Charges for empty container brought in by Shipping Lines to CFS.
 - e) Transportation Charges for empty container for empty containers movement from CFS to port for export or to other CFS for Export Stuffing.
 - f) Bank Charges, if any, recoverable from Shipping Lines for outstation DDs.
- To verify whether sufficient advances have been collected from Shipping Lines and the same are adjusted by raising bills there-against.
- To ensure that all the containers as per Container Movement Register have been billed.
- To verify the charges collected for shifting of goods/container from ones hipping line to another shipping line and correspond with the H & T works slips issued to the H&T Contractors.
- To test check the entries made in the following registers from the basic records, like
 - a) Gate Register (In and Out Statement)
 - b) Destuffing statement for Cargo.
 - c) Single Line Register (Container Movement Register) date- wise for all Shipping Lines.
 - d) Shipping Line-wise/Voyage-wise Single Line Register.
 - e) Daily Activity Register of containers.

Note: - Billing is made on the basis of above documents.

Physical Verification of Stock:

To ensure that Stock Registers are properly maintained and certificate of physical verification of the Stocks is recorded therein at the end of every month.

Accounts: -

- Books of Accounts are maintained properly and updated.
- Reports>Returns required by port/Regional Office/Corporate Office are submitted in time to the respective offices.
- The Accounts are reviewed and to ensure that all the subsidiary registers are maintained.

EXPORT: -**A. Procedure:**

- Whether application made by the Exporting Agent is accompanied by Shipping Bill Number, Carting Order etc.
- To verify the entries in the Stock Register with reference to Cargo Declaration Form acknowledgement and other documents furnished by the Export Agent.
- To link up Cargo Declaration Form with Gate Register, where entry for empty truck is recorded.
- Acknowledgement issued to be linked with stock entry and also Cargo Declaration Statement and other documents submitted by the Export Agent.
- H&T and other charges collected to be verified 100%.
- Movement of Container right from the day of entry up to the time it leaves warehouse to be linked with charges collected to verify whether demurrage and other charges have been collected as per tariff.

- Review availability of equipment's of the contractor to handle the volume or works as per the tender terms.
- Check if Ground rent has been properly collected for retention of container after issuing the movement order/job order.

D. Outstanding: -

- Whether amount has been collected in time from the CHAs/Shipping line and any outstanding from them.
- Check whether TDS certificates have been received from the parties for TDS deducted.

In addition to above, any other matter which shall crop up during the currency of audit may also be reviewed.

#####

CHECKLIST PEST CONTROL SERVICE

1. Site Survey

- Check that Pest Control Operator have surveyed the PC sites thoroughly and identified the need and type of Pest Control Services required.
- Check that in case of fumigation, the material to be fumigated with all necessary arrangements have been surveyed.
- Check that the Warehouse Manager/PC cell In-Charge/concerned official along with Pest Control Operator have meet the customer and discussed in detail about the treatment and precautionary measures.

2. Pre-treatment preparation

- Check that Whether Chemicals and Equipment along with other accessories have been listed out and kept ready well in advance before Treatment.
- Equipment- Check Whether proper safety equipment have been provided to the workers and supervisors.
- Check Whether availability, adequacy, serviceability & traceability have been ensured at the work places.
- Check Whether disinfestation equipment is selected as per suitability.

3. Treatment Method

Check Whether Appropriate treatment method have been selected depending upon nature of pest available formulation and site of treatment. Various Method are- Dusting, Spraying, Aerosol treatment, fogging, mist Blowing, Fumigating, Trapping (Baiting, Mechanical, Pheromone), Granule spreading, Heat Treatment (Hot Air/Hot Water).Whether any SOP's are being framed or already in place and to verify the adherence to SOP.

4. Monitoring Mechanism

- Check Whether Pest Control Activities are monitored for efficiency & Effectiveness
- Check Customer Feedback on effectiveness of Pest Control Service.

5. Post-Treatment Work

- Check whether service certificate has been obtained or not for the following:
 - (I) Cleaning/Decontamination
 - (ii) Inspect for Immediate faults.

(iii) Degassing/Aeration

(iv) Surface treatment

6. Safety And Personal Protection Measures

- Check whether before using pesticides wear all necessary protective equipment properly that will protect the user against health and safety risks while using pesticides which includes-

(i) Skin Protection

(ii) Eye Protection

(iii) Ear Protection

(iv) Head Protection

(v) Protection of Respiratory Parts

(vi) Protection Against Ingestion

7. Reporting of Information on Service

- Check whether Pest Control Service Activities recorded in a register & maintained which is inspected time to time by the Inspecting Officer.

- Check Whether Monthly report on Pest Control Service have been prepared and sent to the regional Office.

- Check Whether Regional Office compiled & submitted monthly report (MIS) to Corporate Office.

8. Duties of Inspecting Officer

- Check Whether Inspecting Officer visited the pest control service site and ascertained the effectiveness of various treatments undertaken and recorded the observation on record.

- Check Whether Inspecting Officer physically verified the chemical stock with consumable stock register.

- Check whether Inspecting Officer also identified requirement of new chemicals/propriety chemicals & source of supply.

9. Customer Management

- Check whether PCS Cell Manager identified and maintained a set of customers data bank within a market.

- Check whether Database of customer is maintained in a prescribed manner which includes-

- a) Name of the customer with address.
- b) Key person dealing with contact details.
- c) Type of Service required (Scope).
- d) Existing arrangements i.e., by whom and period.
- e) Mode of purchase of the service (Purchase procedure).
- f) Location of Work (Site Survey).

- Check whether PCS Cell manager communicated with customers visiting to the customer sites.

- Check whether in case of customer's dissatisfaction PCS Cell manager contacted the customer as early as possible.

10. Miscellaneous

- Check the targets set for pest control income and actual performance by various warehouse.

- Review the contracts for which corporation for submitted its bills and whether the rates charged are as quoted.

- Check whether the incentives have been correctly paid.

- Check the performance of various pest controls centers i.e., income, expenditure and profit earned.

- Check whether required Licenses have been obtained from Quarantine Department and other Statutory Agencies.

- Whether PCS Cell have the adequate number of manpower to perform the PCS Cell Activities on various parties.

- Whether the manpower has been adequately trained.

- Check the records of pest control – e.g., Pest Control business reports.

- Check whether PCS Cell is realizing the amount from parties on timely basis.

- Check whether not realized (Outstanding Amount) amount on services provided have been write off time to time.

TRUCK TERMINAL RAIL TERMINALS, AIR CARGO COMPLEXES

1. TRUCK TERMINAL

- Check the records being maintained for incoming and outgoing vehicles and whether there is internal control to ensure that charges have been collected from all.
- Check the calculation of charges according to the number of days and prevalent tariff.
- Check the various income, expenditure and related vouchers from receipts, payment vouchers and expenses made out of the Imprest.
- Check whether expenses incurred by the manager in charge areas per DoP.
- Check the upkeep of the truck terminal and security arrangements and records maintained for the security attendance and passing of bill.
- Check the reasonable of expenses as compared to budget allocations.
- Check if there is any leakage of income for trucks/vehicles not being routed through the Truck Terminal but clearance being given by customs.

2. RAIL TERMINAL

- Check the records being maintained for incoming and outgoing trains, containers, and whether there is internal control to ensure that charges have been collected in full.
- Check the expenses being incurred for railway line usage and maintenance and same are being charged to parties as per agreed terms/tariff.
- Check that records maintained for movement of containers is full proof and wherever the charges are to be collected/paid based on containers, these records tally with each other.
- Check the amount outstanding from the parties and whether the collections are being received in time.
- Check the arrangement for H&T work and whether the charges being paid are reasonable. Check that same are being recovered from the depositor/party correctly.
- Check whether the parties are taking other services from the corporation and how they are being billed to them.

- To check whether the recovery has been made from the bills of the H&T contractor on account of transit losses, demurrage charges or any other recoveries made by the depositor from the bills of CWC for which the H&T contractor is held responsible.

Whether bills raised by the tenderers have been checked against job orders issued, work done statement & terms

- of agreement.

- Whether records in connection with payments made to H&T tenderers & surveyors have been properly maintained.
- Whether penalties have been imposed, wherever required in terms of the agreement.
- To check whether the H&T has been appointed through open tender.
- To check that the award letter has been issued and agreement has been executed on stamp paper.
- To check whether applicable SD/PBG has been deposited by the H&T contractor as per the tender conditions.
- To check whether the labour and other “registration or licence” with PF & ESI have been acquired by the H&T contractor.
- To check whether the bills are submitted by the H&T contractors on time (i.e. within 1 month) and at approved rates. For e.g. the bills for the month of September 2022 should be submitted by the H&T contractor latest by 31st October 2022.
- To check Copy of EPF/ESIC Challans, Proof of payment made to the labourers and other compliances related labour laws.
- To check whether the works slips are duly signed by FCI representatives and Warehouse Manager.

2. Repairs & Maintenance of Godown

- To check cases of repairs including special repairs of warehouses and whether same have been suitably attended to and duly intimated to engineering division/ corporate office.
- Control of expenditure and comparison with budget and procedures adopted. System of authorization for repairs and maintenance jobs and its compliance.
- To check special nature of expenditure which was not included in the budget and whether it is properly justified and necessary approvals obtained.

3. Hiring and Dehiring of Godowns

- To check that for procedure for hiring/Dehiring of godowns is as per controlled document no. P/CD/Management/01, P/CD/Hiring/Dehiring/01 has been followed.
- To check the feasibility and viability of Godowns hired by appropriate and competent authority.
- To check whether the enhancement of rent has been done as per the terms of the contract.
- To check that a register for hiring and releasing of the godown is maintained properly with full details.
- To see that a godown proposed to be hired has been inspected by officer-in-charge of the warehouse and other officers deputed for the purpose to determine its suitability.
- To check whether rent agreed is reasonable and proper lease deed has been executed by suitably comparing the rates of similar nature for the premises within the vicinity and proper lease deed has been executed.
- To check whether the hired godowns are gainfully utilized and un-economical godowns have

been de-hired after complying with the terms and conditions of the agreement and to assess and quantify the loss of such hiring of un-economical godowns.

- Necessary sanction of competent authority for hiring of godown is obtained, and where necessary sanction could not be obtained by 31st march, whether the accounts section has been intimated to create the liability in the books.
- In case of newly hired godown, check whether the margin (net profit) before RO & CO overhead is more than 20% as per CO circular no. CWC COFDRCVI/38-2020- FIN dated 08.07.2020 & CWC CO-CD0WO/9/2022- COMM dated 25.07.2022.
- To check whether the Regional Office has taken approval from CO for tariff category of the newly hired godown or whether the tariff decided by RM as per circular CWC COCD0WO/9/2022- COMM dated 25.07.2022 is able to generate the minimum margin of 20% before RO/CO overheads. If such margin is not covered, assess and submit the revenue loss thereon.

4. Payment of Property Tax, Lease Rent, Godown Rent

- To check that property taxes, lease rent and godowns rents are being released as per the agreement and legal demands.
- To check whether proper register for payment of property tax, lease rent and godown rent has been maintained.
- To check whether cases of the disputed demands are being attended to regularly for its resolution.
- To check whether sanction order for payment of godown rent/lease rent/property tax is being issued intime.
- Whether the disputed cases have been intimated to accounts with its impact on contingent liability and firm liability.
- To check whether any arrear demand is being paid during the year in compliance to the delegation of powers in force. To check whether any demand is being paid under protest during the audit period and to verify whether separate Register is being maintained for such cases and intimation in this regard has been given to the Accounts department.

5. Tariffs and Rebates

- To check that General terms and conditions of storage have been followed for raising bills on depositors. (Please refer controlled document no. WI/CD/STG/01).
- To check whether tariffs being charged to various depositors are in accordance with the published tariff of CWC (corporate office).
- To check and review if the rates are applicable on bag basis/ areas basis/MT basis and whether prescribed procedures have been followed while fixing the tariff.
- To check whether the discounts/rebates offered are with the prior approval of competent authority.

- To check the tariff applicable for H&T vis-a-vis the charges being paid to the H & T contractor.
- To check for the tariff disputes and whether they are being attended to satisfactorily and such rebates and discounts are intimated to Accounts department on regular basis.

6. Reservation of Space

- To check the register/record maintained for reservation of space and whether requisite information is filled in.
- Whether general terms and conditions governing the payment of storage charges are intimated to the prospective depositor and written acceptance is obtained.
- To confirm that no billing is allowed without the proper Written communication from the depositor such unbilled details to be intimated to Accounts department time to time.
- To check that reservation of space is as per the rules or proper authorization from the competent authority.
- To check whether internal control exists so that raising of bills is not missed
- To check cases of disputes and whether they are being attended to regularly.

7. Management Warehouses

- To check the records/files of management warehouses in operation and whether the payments are being received as per agreement and in time and to verify in case of delayed payments any inherit/penalties are being levied are not as per the agreement.
- To check whether the management charges collected from the party is as per the rates fixed by CWC (Corporate Office).
- To review the agreement and to check whether the payment of storage charges has been received in time.
- To check cases of disputes and whether they are being attended to regularly

8. Time Barred Bonds

- To check cases of time barred bonds and steps being taken for their liquidation.
- To check cases of disputes and whether they are being attended to regularly.

9. Strategic Alliances and Dedicated warehouses

- To review the agreements/ files of strategic alliances and dedicated warehousing and whether terms and conditions are being complied with as per the agreement.
- To check the bills being raised based on per TEUs handled and fixed /variable charges received as agreed in the contract. Also check whether the payments are being received in time.
- To review the bank guarantee/security deposit furnished by the strategic alliance partner/ depositor of dedicated warehouse and check whether the same is as per the agreed format and same is unconditional one and no deviation has been made with the regard to agreed/laid down format and to maintain a separate register for same with necessary details.
- To check cases of disputes and whether they are being attended to regularly.

10. Economy of Warehouses

- To review economy of warehouses and whether necessary steps being taken to improve the unviable warehouses.

11. Disputes and Legal Cases

- To check cases of disputes/legal cases and whether they are being attended to regularly.
- To check whether the accounts section has been intimated about the contingent liability to be disclosed or firm liability to be created duly indicating financial impact.

12. Growth of Business and Capacity Utilization

- To review the warehouse-wise total capacity available and capacity utilization and growth of the business over the past period and to obtain/ascertain the reasons for such under utilization.

FINANCE AND ACCOUNTS

1. Salary & Related Payments

The objective of this checklist is to ensure that correct amount of salary and allowances has been paid, all statutory and other deductions have been made, payment is made to the right person, payment is made for services actually rendered and receipt of salaries and allowance is duly evidenced.

Following checks will be exercised:

- Samples to be selected from salary sheets prepared.
- Ensure that gross salary is computed in accordance with the rules of the Corporation.

- Ensure that incentive payments are correctly computed and that incentive percentages have been correctly worked out in accordance with the incentive scheme.
- Ensure that the statutory deductions on salary have been deposited with the appropriate

authority within the stipulated time limits and to ensure that deduction are after duly complying of Minimum Wages Act.

3. Unpaid Salary & Wages

- Check the amount of unpaid salaries & wages is entered in correct head of income with the Pay Bill and the corresponding cash voucher prepared for it.
- Disbursement of unpaid wages/salaries to be checked.
- In case of unclaimed salary/wages remaining unpaid for six months ensure that amount of such unclaimed salary/wages is transferred to Unclaimed Salary/Wages Account.

4. Other Checks

- Check regulation of salaries and wages in accordance with the rules framed by the management and its adherence to the registration of the other acts such as Minimum Wages act, P.F Act etc.

5. Accounting and Remittances

- Verify the correctness of pay orders and cheque or bank advice.
- Verify the journal vouchers for accounting the pay roll disbursements and various deductions and check the classification with the salary bill and other schedules.
- Check the various schedules prepared along with the pay bills for their correctness.
- Verify remittances to outside agencies for correctness and payment within due dates.
- Check up the subsidiary records maintained for the purpose.
- Check up the unclaimed cheque/cheques yet to be realized (if any)

6. Traveling Bills, Leave Travel Concession and Medical Claims including Advances:

- Select sample.
- Check delays in payment of claims, sanction by controlling authorities after proper checks, admissibility under the rules, adjustment of advances etc.
- Check that the registers of TA/LTC, medical have been maintained correctly.

7. Loans/Advances

- Select the sample
- Verify that loans and advances have been sanctioned in accordance with the rules and by the authorities competent to do so, payments have been duly recorded in the concerned registers of advance and recoveries are affected promptly and correctly.
- Check interest calculation.
- Check whether the settlement of advances are in time.

8. Encashment of Earned Leave

- Select the sample
- Check correctness of encashment allowed with reference to leave records and also pay bills rules etc.

- Check recording of encashment suitably.

9. PLI/Bonus Payments

- Select the sample. Check correctness of the total earnings for the year and the rates.
- Check entitlement of employees. Check correctness of records maintained as per the Payment of Bonus Rules/PLI scheme.
- Whether the rules and procedures laid down in respect of establishment matters have been duly complied with.

10. Other Payments

- Check correctness of payments like payment of gratuity, encashment of half-pay leave, corporation's contribution to Provident Funds etc. with reference to the respective rules and orders.

11. Fixed Asset Register

The checks in this regard will be:

- To check whether the asset register is being maintained properly and all particulars with regard to asset identification; original cost, location, etc. is duly filled in.
- To check the transfer of Assets from one location to another from the concerned division.
- Follow-up on the managements' action to establish the physical existence of the asset or if non-existence is established, to pinpoint responsibility for the loss and to ensure write off of the assets from the books and removal from the Fixed Asset Register on due authorization.
- To physically verify the title deeds of properties (land & building) of the Corporation falling under the jurisdiction of the auditee.
- To verify whether Fixed Assets Register and other records have been maintained as per the prevalent rules.
- To report any discrepancies observed on above account and whether the same has been dealt properly in the books of accounts.

12. Compilation of Accounts

- To check whether there is correct booking/accounting of warehousing income, PCS income, income from strategic alliances, and other miscellaneous income.
- To check whether there is correct booking/accounting of expenses and payments based on vouchers for warehouse-imprest cash, settlement of temporary advances, salary, purchases, other payments by cash and Bank, payments to third parties like payment of godown rent, H&T Bills payment, refund of EMD/Security Deposit, depreciation, accounting and adjustment of prepaid and outstanding expenses.
- Check whether the vouchers as entered in the books of accounts are supported with the relevant documents.
- Check the correctness of inputs to compilation and whether regular Trial Balance is being prepared and sent to corporate office.

- Check the summaries of cash/bank receipt journal vouchers, cash/Bank disbursement journal vouchers, income journal vouchers and accounts payable journal vouchers and also Cash Book for receipts of payment, check the journal entries prepared on the basis of summaries.
- Check the correctness of outputs from Compilation Section.
- To examine whether the system of maintenance of accounts is proper or needs further improvement.
- To verify that opening balances, as intimated by corporate office, as per last trial balance on 31st march have been carried forward correctly, if any difference found, same shall be brought to the notice of Corporate Office.

Review the trial balance to see that: -

- Adverse or unorthodox balances are not appearing under any account code and action taken to rectify such balances.
- There are no misclassifications or wrong codes used. Ensure that all subsidiary ledgers are properly maintained and reviewed and balances reconciled with the control totals in the Ledger.

13. Billing for storage, Market Facilitation, Pest control and other Charges

- To check that bills have been raised to depositors/parties in time and there are no unusual delays.
- To check that bills are raised correctly and proper GST has been charged and same is supported with the relevant documents e.g., Contractor's bills enclosed in case of H & T billing.
- To check that monthly storage charges bills for reserved/ guaranteed storage space and other charges are being raised in advance every month regularly.
- To check that payment of the bills is being collected within the prescribed period and proper follow up is being for the outstanding bills.
- To check the statement of reservations of space and that the bills have been raised for the reservations for the all the relevant months.
- To check that monthly information for storage of excess stocks over and above reserved capacity is being received and proper bills for such stocks have been received from the warehouse manager, pre-audited by the RO and raised to the concerned depositor.
- To see that amount excess billed is reversed by way of cancellation of bill or alternatively issue of credit note for the excess amount billed. The Fresh bills have been raised wherever necessary.
- To check that bills raised are promptly dispatched/delivered to the concerned depositors.
- To check whether the refund, if any, of excess storage charges/ advance storages/TDS, has been made after following the corporate office guidelines.
- To check that write off of storage charges/bills has been done as per the prescribed procedure and with Necessary approval.
- To review TDS certificates received and outstanding. Whether for excess/ shortage in value of TDS certificates, the matter has been taken up with the depositor and corrective steps taken.

14. Receipts & Payments

- To check that Bills for payment of personal advances and passing of TAbills, Medical Bills, LTC Bills or any other bills have been followed (please refer controlled document nos. BMP/Fin/salary / 01 to 04)
- To check that all payments by cash, cheque or DD or e-payment are properly sanctioned and recorded in the related cash book and cash book is signed by the concerned officer on daily basis and to be reviewed on periodical basis by another competent officer.
- To check that payment of utilities like electricity, water, telephone etc. is being made in time.
- To check that all collections (cash/Cheques/DDs) are banked in RM collections account promptly and recorded on daily basis in the cash book.

15. Payment of H&T Bills

- To check that payments to contractors have been made as per the rates agreed as per the contract and the required security deposit has been received from the contractor.
- To check that timely payment to contractor is made on the basis of bills received in terms of the agreement and after due certification, checking and sanction.
- To check for the advance/on account payment made to the contractor as per the terms and conditions of the agreement and tender documents as well as the prevailing guidelines of the Corporation and whether in such cases valid reasons are recorded in support thereof and same is adjusted immediately against the payment of subsequent bill. If any such advance is not adjusted against payment of subsequent bill shall be brought to the notice of Audit Committee and Accounts Department.
- To check whether the advance/on account payment made has been adjusted from the related bills and not from the subsequent bills. To check whether the bills have raised on the depositors within a week's time.
- Detailed scrutiny of H & T bills already paid for one or more months be carried out.
- Cases of abnormal delays in payment to be identified and whether the reasons for delay are satisfactory.
- To check that correct GST has been charged in bills and correct TDS has been deducted from the bills.
- To check whether required security deposit as applicable is received from the contractor.

16. Sundry creditors

- Samples selected for checking Input goods/input services shall be selected for checking Sundry Creditors.
- Verify whether separate records/data is maintained for MSME Vendors and other vendors
- Verification of delay in payment to MSME vendors, payment of interest and other compliances.
- Verification of age-wise data of the Sundry creditors with reasons for holding payment beyond credit policy of CWC

- Check age wise liabilities and provisions made in earlier years and their assessment.
- Verification of EMD/Security Deposits received and lying pending specifically in cases where contracts/arrangements have been completed.
- Tally the amount as per creditor ledger with sanction order and check for bill wise payment.
- Check posting to Cash/Bank Book for actual payment.
- Scrutinize party files in respect of disputed claims of the creditors to ascertain nature of disputes and validity of the Corporation's contentions.
- Check whether advances paid, if any is properly adjusted while disbursing any payments to vendors. Scrutiny of debit balances to be checked.
- Check postings to general ledger.

17. Funds Management

- Whether prescribed procedures are strictly followed with reference to charging of GST, deposit of GST, filing of returns with the GST authorities.
- Whether Input tax Credit on inputs and input services Is correctly used by the corporation and accounted for.
- Whether the returns are being filed with the Goods and GST Authorities in time.
- To check whether input tax credit has been utilized to the extent it is available and reflected in GSTR2A on the last day of the month also to check any unavailed ITC.
- Reconciliation of:
 - GSTR1 with GSTR3B;
 - Books of accounts with GSTR1 and GSTR3B
 - ITC as reflected in GSTR2A and ITC claimed in GSTR3B.
- Check instances of late payment of GST and interest thereon, If any.
- Tax on Reverse Charge Mechanism (RCM) Auditor needs to take care whether taxes on RCM has been paid in cash or not.
- Check:
 - Computation of Ratio of reversal of Input Tax Credit on the basis of Exempt turnover to Total Turnover for the tax period as per the laws applicable.
 - Whether the ITC has been reversed, on the basis of reversal ratio, in the returns filed.
 - Reversal of Input Tax Credit in case of non- payment of invoice in 180 days.
 - Check Bifurcation of ITC availed.

23. Capital expenditure

The checklist on capital expenditure, renewals and replacements aims to ensure:

- a) That all capital expenditure is incurred as per annual budget duly approved.

- b) That the tendering and placement of orders, etc. are properly authorized and approved and this is to be intimated to Account Department for concurrence before placing of order and going for tender

Select samples for capital expenditure and check:

- that all proposals for capital expenditure were initiate– on the basis of cost - benefit studies and duly approved by competent authority.
- that all orders have been placed or contracts awards by the Purchase Department strictly according to the purchase procedure laid down by the corporation.
- Check that in case of order not executed according to time schedule reasons for such delay management actions have been taken out at the appropriate level.

24. Sundry Debtors

- To check the storage charges outstanding from the depositors and to check whether the payments have been realized on month-to- month basis and whether any steps taken in this regard as prescribed in the Debtor Management Policy and Debtor Recovery management policy.
- To check whether any outstanding amount due on account of storage loss, quality complaints and reservation disputes etc.
- To check whether proper follow up is being done for realization of old outstanding. In case of abnormal storage losses, whether proper enquiry and investigation has been undertaken by RO and if proper follow up action has been taken for the same.
- To review sundry debtors and verify if FCI has made deductions on account of storage losses, transit losses etc. Please check for the follow action taken with FCI for settlement of these cases. In case of any fault on the part of the H & T contractor, whether the recovery has been affected from his bills.

1 BANK GUARANTEES

- To ascertain details of bank guarantees available towards security deposit in respect of individual contracts and they are in approved format.
- Physically verify the Bank Guarantees and also confirmations obtained from the individual banks about issue of guarantees by them.
- To ensure that all Bank Guarantees are valid and entered in the Bank Guarantee Register.
- To check whether the action for claim or extension of bank guarantee has been taken.

2 CASH & BANK BALANCES VERIFICATION

- To check that cash book/bank Book is currently posted and kept update and supporting documents are available.
- To check cash and bank transactions receipts and payments
- That cash in hand and cash at bank is not excessive having regard to daily cash requirements of the office.

- To check whether strict control is exercised over custody of cheque book and counting of cash at the end of each day.
- To check that cheque signing procedures are followed.
- That vouchers are suitably numbered and defaced to prevent the same being used again.
- To ensure that Bank account is reconciled every month and check for old entries appearing in reconciliation.
- To ensure physical verification of cash by another officer on regular basis.

PERSONNEL/ESTABLISHMENT

1. The checklist for internal audit aims to ensure that management policies for recruitment, promotion, etc. are carried out as per rules and procedures and policies of the corporation and as per statutory regulations. (Also refer controlled document nos. BMP/P/PER/EST/01 to 08, BMPIWI/PERIEST 01 to 04) and shall have to exercise the following checks:
 - Check that all rules and regulations for recruitment of employees are strictly followed and that all records in this regard are properly maintained.
 - Check that promotions are as per policy and procedures of the Corporation.
 - Check that all statutory returns and forms under Industrial Disputes Act, and other labour laws are regularly compiled and submitted to the authorities concerned.
 - Check that leave records are maintained properly in HRMS/any other software in force and test check certain entries in leave record with supporting documents through HRMS/any other software in force.
 - Check correctness of final settlement for retired/resigned/superannuated/ terminated employees.
 - Check whether the prescribed records of employees are maintained in E Office/any other software in force.
 - Check correctness of payments to casual labour, payments of LTC, leave encashment etc.
 - Review the sanctions for various posts.
 - Ensure that personnel files of the employees are properly maintained in E Office/any other software in force and are complete.
 - Review cases of pay fixation and grant of special pay/ allowances.
 - Ensure that suitable records are maintained to check against double payment of

L.T.C. claims, leave encashment, festival advance etc.

- Whether a Scale Register showing posts sanctioned and posts operated has been maintained up-to-date.
- Whether operative staff strength is in accordance with the category-wise sanctioned posts/actual requirement.
- Whether recruitments were done according to the procedure laid down.

- Whether the recruitment fee received from applicants in the form of postal orders/demand drafts from were properly entered in the register and sent to Finance Division as per the procedure.
- Whether Security Deposit in cash has been taken in respect of posts for which such conditions have been prescribed at the time of acceptance of offer and to check the relevant register in this regard.
- To check cases of fixation of pay at the time of recruitment/promotion/absorption.
- Whether leave account maintained in HRMS/any other software in force in prescribed form and to check the leave account.
- Whether Service Books are being maintained properly in the prescribed form.
- To check the Leave Encashment Orders and L.T.C. Encashment Orders.
- To check the Terminal Leave benefits granted to persons, who have retired/ resigned/ superannuated/terminated from the service of the Corporation.
- Whether Surety Bonds have been obtained from the persons, whose terms of appointment prescribe production of such bonds?
- To check the sanctions issued in respect of grant of Conveyance/Festival/House Building/Flood/Fan and other advances to staff.
- To see whether the formalities to be completed after the grant of advance of the concerned official, such as Mortgage of Building/Flat/Vehicle/Insurance of Building/Vehicle, as required in the rules, have been completed.
- Whether allotment of staff quarters in accordance with the rules/instructions. Whether vacant staff quarters are allotted/occupied without delay.
- Whether hiring of office accommodation had been according to the prescribed procedure.
- To check the sanctions of Medical Reimbursement including Medical Advance, Children Education Allowance, Tuition Fees, Overtime etc.
- To check the sanctions for Gratuity Payments/leave encashment payments
- Whether register of persons nearing retired/ resigned/ superannuated/terminated is being maintained in E-office/HRMS/any other software in use.
- To check the sanctions issued for payment of Grants/Subsidy to Recreation Club etc.

2. Utilization of Manpower

Following checks will be exercised: -

- Check and compare the actual manpower to sanctioned manpower.
- Check the overtime hours against normal hours; review the trend of OTA payment. Verify that overtime payment is within the approved limits.
- Check the engagement of casual labour, check how these jobs were executed in the past and whether the present manpower is not adequate.
- Examine record of employee's absenteeism and whether it is normal or abnormal.

- Applicability of the P.F and E.S.I to the manpower and adherence to the rules/provision by the personal establishment department.
- Examine the accuracy of records in respect of attendance, leave, time keeping etc.

3. Hiring of Vehicles

The activity includes the bus/car facilities arranged, if any for the employees: The auditor will check:

- A. Examination of agreements with contractors-covering the number of vehicles, routes, rate per kilometre.
- B. Utilization of vehicles vis-a-vis the cost.

4. Administration

1. Internal audit will cover mainly the repairs and maintenance of vehicles/office equipment's, air conditioners etc. and purchase of vehicles, furniture, printing and stationery etc.
2. Internal Audit will select samples from various registers/records maintained by the Department and:
 - Ensure that all quotations are obtained in sealed covers before awarding any job/contract.
 - Ensure that regulatory guidelines with reference to procurement of goods/services from GeM Portal is being followed.
 - Ensure that job/contract is awarded to lowest tenderer on various jobs; check whether deviations from this policy are approved by competent authority.
 - Ensure that proper -internal control is there for maintenance of records of various jobs and financial concurrence is obtained wherever required before awarding any contract or placement of order.
 - Check whether all repairs and maintenance are entered in log books/registers maintained for vehicles, office equipment's, air-conditioners etc.
 - Check all purchases (furniture, office equipment's, printing and stationery) have been made in accordance with the prescribed procedure.
 - Verify physically the stocks of printing and stationery
 - Check that issues of printing and stationery are properly authenticated and are based on norms.
 - Check the records maintained for the use of vehicles and ensure that log book for each vehicle is maintained properly, consumption of fuel, oil parts etc. are in accordance with norms and that repairs are not excessive.
 - Check that recovery of charges for private use of vehicles is being made in accordance with the rules.
 - Check that emergency/local purchase were justified, not excessive and were made according to the prescribed procedure.
 - Check that proper records are maintained for electricity and water bills, telephone and telex bills etc. and are correctly certified for payment with reference to consumption/us.
 - To check livery purchases and its supply to the employees.

- Verify Log Books and Petrol Books and whether the expenses are reasonable.
- Whether maintenance and servicing of the vehicles had been done according to the rules laid down and expenses are reasonable.
- Whether mileage run per liter consumed is justifiable.
- Whether history sheet of vehicles is properly maintained.
- Whether recoveries in respect of private journeys in office vehicle has been effected and verify whether the register is being recorded properly and updated
- Whether office vehicle has been insured and status of the insurance claims if any.
- To check the payment of Electricity and Telephone Bills so as to ensure that there was no double payment for the same period. Also check the relevant registers in this regard.
- Whether the system of allotment of room in the Guest House is correct and receipts/recoveries have been properly/accounted for.
- Whether the expenditure incurred for provision of food in the Guest House is justifiable.
- Whether the rates of rent charges in the Guest House for CWC employees and others are correct.
- Whether the recoveries of rent have been made in all cases.
- Whether records have been kept in respect of fittings, furnishings, installations, furniture and other equipment's in the Guest House and whether these items were physically verified by the Caretaker or a competent authority at the time of vacation and occupation of the accommodation by the allottee.
- Whether the Guest House Register has been maintained as per the prescribed procedure.

5. Security Contracts

The audit will check that security service contract rates are competitive and payments have been regulated in accordance with the no. /type of guards posted. The audit will check:

- Whether the appointment of security contractor has been made-through DGR sponsored agencies and after following the DGR guidelines. If security is hired from other agencies whether the same is as per the instructions of corporate office.
 - Whether the security agency is following the DGR guidelines properly particularly for disbursement of payment to its employees and making other statutory payments like Provident Fund and ESI.
 - Whether the minimum-security guards provided by the agency are ex- servicemen as per terms of the contract/Applicable Guidelines wherever applicable.
 - Whether all the statutory deductions i.e., ESI, PF etc. including employers share of PF have been deposited by the Security Contractor regularly on month-to-month basis.
 - To verify whether the proof of deposit of GST/any other tax with the concerned department has been made/obtained as per the prevailing laws.
 - The service contract entered into, the rates applicable and other terms and conditions.

- Whether there is proper record of attendance which is verified as per the procedure by the security in charge.
- The payments of bills, GST and TDS deductions.
- Is labor laws compliance being made by the Security contractor like deposit of provident Fund with Provident Fund department?
- Are there any cases of theft incidents and what is efficacy of the security? Whether the recoveries have been made from the security agency wherever it is warranted.

TECHNICAL

The purpose of audit check is to ensure that stocks deposited by customers are maintained in good condition. The checks will include the following:

- Whether the technical inspections of warehouse have been carried out as per the guidelines.
- Whether there is proper monitoring of compliance reports from warehouses, whether any proper action is being taken for any deficiency /deviations noticed.
- Whether there is sufficient stocks of chemicals, dunnage and fumigation covers for the safe storage of stocks. Are there any cases of excess/shortage stocks or deterioration of stocks due to expiry or mishandling?
- To check the status of storage loss cases and whether actions are being taken for regularization/ settlement of dispute of storage loss.

PROCUREMENT AND STORES

In case procurement is from GeM portal, checks in this regard will be:

- To check whether goods/services procured through GeM portal. In case, the same is not available on GeM portal whether Availability/evidence report is placed in file.
- To check whether proper approval has been obtained before modification in existing order has been obtained.
- To check that procuring department do not place any order outside GeM. For purchases, if any, outside GeM, relevant guidelines should be followed.
- To check whether the item available on GeM meets the requisite quality, specification and delivery period.
- To check whether reasonability of rates has been ascertained from last purchase price on GeM.
- To Ensure of quantity particulars.
- To check whether technical, qualitative, performance characteristics chosen in bid document and response of bidders thereto meet just the bare essential needs of Procuring Department/User Department and no superfluous and non-essential features which may result in unwarranted expenditure have been included.
- To check whether procurement is through the supplier (L1) having lowest price after mandatorily obtaining bids, using online bidding or reverse auction tool provided on GeM

In case procurement is from other than GEM portal, checks in this regard will be:

- Check that Furniture items have been purchased as per the norms prescribed in controlled document no. WI/PER/furniture Norm/01 and BMP/WI/PER/furniture Norm/01
- To check whether the tender process is as prescribed in controlled document no. WI/PUR/01.
- To check whether the supply orders placed is as per Controlled document no., WI/Pur/03.
- To check whether the inspection of lorry weigh bridges installed at warehouses as prescribed in controlled document no. WI/Pur/04 has been carried out.
- To check whether for purchase of stores, the instructions as per controlled document no, WI/Pur/05 have been followed.
- Internal Audit will verify that physical verification of assets has, been carried out in accordance with the corporation's policy.
- Review action taken on the items where discrepancies were found on the last verification as regards the physical existence.
- Follow-up on the managements' action to establish the physical existence of the asset or if non-existence is established, to pinpoint responsibility for the loss and to ensure write off of the assets from the books and removal from the Fixed Asset Register on due authorization.
- Follow-up on all assets disclosed as damaged, obsolete or surplus by physical verification reports to ensure that damaged items were subsequently repaired and put to use and that steps have been taken to dispose-off obsolete or surplus items after necessary survey.

Note: In addition to the above, Government guidelines with respect to Procurement policy, as amended from time to time, applicable to the corporation, to be followed.

1. Checklist for procurement of Stores and Spares

- Samples are to be selected from Purchase Order Register.
- Note GRN (Goods Received Note) No. and date, invoice No., date and amount, purchase order No., for the items included in the samples.
- Trace GRN to invoice.
- Compare (i) Quantity and (ii) rate as per GRN with these incorporated in the invoice.
- Compare actual delivery date and stipulated delivery date and check whether any liquidated damages or penalty are recoverable and levied as per terms of Purchase Order.
- Trace Purchase Order to check the basis and amount advanced and amount adjusted against such advance. In case of adjustment of advance, check relevant journal entry.

Check that adequate precautions are taken to guard against the passing of a subsequent claim for the same supply or against payment for supplies in excess of P.O quantities.

- Check that all recoveries noted on the GRN are promptly made and credit afforded to the head of account concerned.

- Check posting with Bank Book and entry in Bank statement for final payment after adjustment of advance.
- Check relevant journal entry and posting to creditor's subsidiary ledger for adjustment.
- Check authenticity and accuracy of invoice and freight calculations. In case of freight payment, refer to railway receipt/ earners receipt in support of freight payment.
- Check delays in payment of supplier's bills. Examine cases of payment of demurrage and wharfage.

2 Further Checks are: -

- Ensure from Purchase Order Register that liability has been provided for in respect of goods supplied, bills for which are yet to be received by the Corporation
- Review the Journal Vouchers to ensure that the adjustments made are correct and based on proper documents; verify the postings.

3 Following procedure tests will be applied in the Purchase Department:-

- Ensure that an approved list of suppliers is maintained for the purpose of making enquiries.
- Ensure that a proper system of vendor performance review exists.

Check whether the approved supplier's list is periodically reviewed/updated.

- Ensure that all quotations received have been filed and maintained for future reference. Check, there from, whether the lowest tender was accepted. Note exceptions.
- Check that the tenders are so invited as to ensure adequate competition and that the prescribed procedures for single tender/limited tender have been followed.
- Check that the prescribed procedure for opening of tenders/quotation, comparative statements, consideration of delayed quotations and negotiations is followed.
- Check that any deviation from standard terms of payment has been vetted by Finance and approved by competent authority.
- Check that purchase order is complete in all respects and that the terms and conditions incorporated therein are as per approval for purchase on the file and/or the standard terms and conditions.
- Check that purchase is approved by the competent authority and Finance concurrence, wherever required has been obtained.
- Check that there is no case of receipt of materials before issue of purchase order.
- Check the system of emergency purchases and check a few emergency purchases by reference to stocks available and actual issues I consumption.
- Check the effectiveness of the procedure for follow up of purchase order.
- Check also, whether the acceptance of the higher tender has been duly authorized.
- Ensure that purchases are not excessive as compared to consumption and are within the

approved budget.

- Review the various records maintained like Requisition Register, Inquiry Register, Tender Register, Purchase Order Register and the management reports.

INSPECTIONS

- Check the number of inspection and frequency of inspections planned as per the groupings.
- Check whether the inspections have carried out as per guidelines contained in the controlled document P/INSP/01, F/INSP/01 to 04 and F/PCD/03.
- Check major observations/ quality complaints made during inspection and steps taken to rectify the situation.
- Whether Inspection review reports on major discrepancies are being regularly submitted to higher management for control purposes.
- Check for effectiveness of inspections carried out.
- Check records being maintained for control purposes i.e., Inspections carried out.
- Whether periodicity of inspection is being followed
- Whether the compliance to the observation/discrepancy mentioned in the technical inspection have been submitted and remedial action is being taken for prevention of occurrence of the observations

TECHNICAL & GENERAL INSPECTIONS

- Check the number of inspection and frequency of inspections planned according to the groupings.
- Check whether the inspections have done according to guidelines contained in the controlled archive P/Tech/10.
- Check the data on quality complaints got and whether inspections have been done.
- Check significant perceptions/quality complaints made during inspection and steps taken to amend what is happening.
- Whether Inspection review reports on major discrepancies are being regularly submitted to higher management for control purposes.
- Check for adequacy of inspections conducted.
- Check records being kept up with for control purposes i.e., Inspections.
- Whether periodicity of inspection is being followed
- To check whether putting out fires equipment's are accessible, placed and kept up with according to guidelines P/TECH/12 and CSP.

ENGINEERING DIVISION

TENDERS AND AWARD OF CONTRACTS

The works contracts may be of revenue nature or capital nature. Select samples of works contracts of each type from Contract's Register and following checks will be exercised (the procedure for repairs and maintenance of structural facilities vide controlled document no. P/Engg/01 and Document no. F/Engg/01 to 06, WI/Engg/0 1 are also to be referred):

- To scrutinize the tenders issued and contracts made for repairs and construction jobs.
- To verify if the tender forms have been issued to the eligible contractor as per the bid condition.
- Ensure that the estimates are administratively approved considering essentiality, reasonableness and the same are covered by the provision made in the budget. The departmental charges as intimated by corporate office have been considered.
- Examine whether estimates have been concurred by Finance. Also examine the difference between departmental estimates and the quotations received.
- To verify the reasonability of rate with the Cost Index.
- Check that the construction project has been approved by the competent authority.
- Check that the prescribed procedure for initiation of tenders, opening the tenders, preparation and checking up of comparative statements has been followed, whether the comparative statement has been correctly drawn taking into account all relevant items.
- Ascertain whether the work is allotted to the lowest tenderer. If the work is allotted to any tenderer other than the lowest tenderer ensure that reasonable and satisfactory justification is recorded.
- Check whether the tender documents contain complete description of work to be done and also detailed specification etc. without any ambiguity.
- Scrutinize from the final contract and see that it covers all the essential conditions required for the execution of work.
- To check that contracts awarded are as per delegation of powers and agreements have been duly signed.
- Scrutinize the receipts of earnest money/security deposit as per terms or contract with the entry in the Earnest Money/ Security Deposit Register.
- To check whether the award of work is by call of tender, limited tender, without call of tender.
- To check on test basis whether tender evaluation process and award of work was proper.
- To check the execution of contracts, progressive payments, deductions made as per the contract, Liquidated damages, Security Deposit, disputes.
- To check the Material at Site and its reconciliation and checking of compliance of relevant statutory clause.
- To check that the construction material is to be valued at 'weighted average cost' as per Accounting Policy of the Corporation.

- To check the damaged construction material, if any, and if the same has been utilized to the extent possible or not, if it is not utilized verify the procedure for its disposal and its adherence
- In case of Risk and Cost contract, to check whether the risk and cost amount involved has been correctly accounted for. Whether the expenditure on risk and cost contracts (Civil) in excess of Security Deposit available has been charged to Works pending its recovery is to be ensured.
- To verify that the unserviceable/obsolete construction material are valued at weighted average cost pending proper survey and write off sanction where after these are to be reflected at realizable value.
- To check legal compliances with reference to Works Contract Tax and GST.

Review of Deposit work

- I. Review the Agreement and amount realized and to check whether the D.C. charges in the Deposit Work is complete including the overhead involved in such work.

To check the amounts received from deposit work and

- ii. amounts spent out of these funds.
- iii. The GST tax compliance relating to Deposit Work is, also to be verified

RUNNING AND FINAL BILLS: -

Select samples of bills to be checked from bill Receipt Register and exercise the following checks:

- Verify the signature of the concerned engineer forwarding the bills after approval.
- Verify the quantum of work done, either from the measurement book or from the other certificates attached to the bill.
- Check the accuracy of measurement book. Verify the rate from the contract.
- Ensure that the cost of materials issued to the contractors are recovered from running bill and are fully recovered before final payment is made.
- Verify that advances paid if any are admissible and within limits and are fully adjusted.
- Verify that the job codes/numbers are properly given for revenue/ capital jobs in the bill.
- In case of delay in execution of works contract, ensure that the penalty/liquidated damages as per terms of contract are recovered; in case of waiver, sanction has been obtained from the competent authority.
- Ensure that income tax is deducted from bills as per provisions of law.
- Ensure that the security deposit is released only after the warranty period (wherever applicable) is over and is authorized by the competent authority.
- Check the correctness of running and final payments.
- Check that all payments made to the contractor are duly recorded on the face of the contract/contract file and that after the final payment, contract is closed.
- In case of capital jobs, it may be verified that the total expenditure has not exceeded the sanctioned amount. If there is any excess expenditure, whether it has been fully justified and

sanction obtained from the competent authority.

- Check that for capital items a completion report is prepared for each job and the same to be given to Accounts Department also along with copy of M-book.
- To Check the running and Final Bills on test basis with reference to entries in tariff rate, quantity, deviation, extra substituted items, time extension, reduced rate items. calculations etc. To check that deductions have been made for sub-standard work.
- To check whether TDS deducted at source is deposited in time.
- To check whether GST payment is as per the contract and has been charged correctly by the contractor.
- To check whether proper deduction has been made for any material supplied by the corporation or defect in quality or quantity of work.
- To check whether there are proper bills i.e., in the prescribed and commercially acceptable format giving GST registration no. business address, bill no., date, other required tax registration and signatures.
- For contracts other
- there is proper authorization for payment,
- Payments are in accordance with the terms decided in contract.

PROGRESS OF CONSTRUCTION & REPAIR JOBS

- To check the expenditure on repairs and construction works and review the work in progress and to verify the same with budget estimates and to obtain reason for such deviations from the budget estimates.
- To verify if the contractor's payment has been made through e-payment system.
- To check whether the jobs are going as per the schedule.
- To check the reason for delays and whether for contractor's delay, due intimation has been given to him.
- To see whether penalty has been levied on account of faulty/delayed completion of work and whether the same has been effects in the bills.
- To check whether there is proper system in place for monitoring the execution of works and same is working effectively.
- To check the status of bank Guarantees, Refund of EMD and Security Deposit as per the terms of tender/contract.
- To check the running bills with reference to entries in the MBs and other records and to see that payments made are recorded properly.

IMPREST & TEMPORARY ADVANCES

- To check the imprest, register and all imprest sanctioned /made is recorded properly in the register and all columns are filled.

- To check that recoupments are duly authorized /signed by the competent authority and are within limits.
- To check that Remittances arranged immediately on its receipt.
- To check whether at the place where both AE and SO are posted, imprest sanction is given to AE only.
- To check that necessary entries for advance payments are made in concerned registers in the name of individuals.
- To review the outstanding temporary advances for more than one month for which account is not rendered or adjustment voucher not passed.

BOOKS OF ACCOUNTS

- All accounts records required to be maintained are maintained in prescribed forms.
- The instructions for maintenance of cash books, contingent register, stock and stores accounts, log book and other accounts are duly observed.
- Check the journal vouchers prepared with reference to the supporting documents and the narration furnished on the journal vouchers and link them with entries in the journal and ledger.
- In case of any deposit work/ work against grant from the government, check for amount received, spent, balance and refund for the balance amount after completion of work.
- Check no loss is made on deposit work after considering the all-related cost including departmental charges.
- Check the summaries of cash receipt journal vouchers, cash disbursement journal vouchers, and accounts payable journal vouchers.
- Check the journal entries for the main journal prepared on the basis of summaries.
- Check the correctness of outputs i.e., accounts statements from the computer.

Review the trial balance to see that:

- Adverse or unorthodox balances are not appearing under any account code and action taken to rectify such balances.
- There are no misclassifications or wrong accounts codes used. Ensure that all subsidiary ledgers are properly maintained and reviewed and balances reconciled with the control totals in the Ledger.
- Whether the Trial Balance is being prepared on monthly basis and sent to CO.
- Whether necessary adjustment entries have been made as pointed by C & AG or statutory auditor in the previous audits.
- Are there any old balances of temporary advances, debtors, creditors, advance to suppliers, EMD/Security Deposit and what action is being taken for its adjustment/refund.

REVIEW OF REGISTERS TO BE MAINTAINED

- Estimates Register - Rates in estimates should be compared with schedule of rates.
- AA & ES Register- To check the AA & ES accorded by EE for R&MO works under his own competence. Bills Register Material-Account, ensure that the Bills Register for Material Account is being maintained with quantity details also.
- Works Register
- Surplus/unserviceable storesregister
- Empty cement bag register.
- Tender openingRegister
- Agreement registers
- MAS Register
- Daily Cement consumption Register.
- MB movementRegister
- Arbitration and court cases.
- Ensure that the above Registers are properly maintained and kept updated.

ARBITRATION AND LEGAL CASES

- To check status of arbitration and court cases and progress made therein.
- To check whether the cases are well attended and corporation interest is being protected.

REVIEW OF INTERNAL CONTROLS

- To check whether the rules, procedures, systems etc. as applicable are being complied with and whether internal controls systems are adequate.

CHECKLIST DIVISIONS AT CORPORATE OFFICE

A. FINANCE DIVISION

The objective of this checklist is to supplement the various checks prescribed as per control document no. WI/IAD/01 where audit is prescribed for various books of Accounts. The following check list prepared section wise will help the internal auditors in conducting the audit.

SALARY SECTION

1. Salary and related payments

The objective of this checklist is to ensure that correct amount of salary and allowances has been paid, all statutory and other deductions have been made, payment is made to the right person, payment is made for services actually rendered and receipt of salaries and allowance is duly evidenced.

Following checks will be exercised: -

- Samples to be selected from salary sheets prepared as per size and nature of the organization.
- The size of the sample shall be decided by the auditor according to judgement provided it shall not be less than.
- Ensure that gross salary is computed in accordance with the rules of the Corporation.
- Check the input documents sent for the preparation of Payroll Master to verify the amount of increment, the grant of allowances, basic pay, D.A., promotion order etc.
- Check the fixed deduction statement and variable deduction statement with the basic records of attendance to ascertain the correctness of the deductions made through payroll.
- Check the absentee statement prepared by various sections with variable attendance data statement and effect on salary is taken.
- Check the D.A. rate control information in the salary Section with the information received for the changes in the D.A. indices.
- Tally net amount payable in Pay bill Summary with amount in payment voucher.
- Check the overtime hours paid with overtime statements received, ensure that overtime work was duly authorized for work actually done and computation of overtime wages is in accordance with the rules of the corporation.
- Check statutory compliance in case of overtime wages/salary.
- To test check the payment of Children Education Allowance and Tuition Fee Bills.
- To check the recovery of rent in respect of persons occupying the CWC quarters.
- To verify that rent collected in above point is as per government policy.
- Ensure where accommodation is provided by CWC, no HRA is paid except in cases of relocation/transfer.

- To check whether H.R.A. is being paid to employees on the basis of proper certificates/receipts in accordance with rules in force from time to time.

2. Incentive Payments and Statutory Deductions

- Ensure that incentive payments are correctly computed as per the performance management scheme (PMS) or applicable incentive scheme and those incentive percentages have been correctly worked out.
- Ensure that the statutory deductions on salary have been deposited with the appropriate authority within the stipulated time limits.

3. Unpaid Salary & Wages

- Check the amount of unpaid salaries & wages is entered in Wages/Salaries Register with the Pay Bill and the corresponding cash voucher prepared for it.
- Check disbursements of unpaid salary & wages.
- In case of unclaimed salary/wages remaining unpaid for six months ensure that amount of such unclaimed salary/wages is transferred to Unclaimed Salary/Wages Account.

4. Other Checks

- Check regulation of salaries and wages in accordance with the rules framed by the management.

5. Accounting and Remittance of salary

- Verify the correctness of pay orders and cheque or bank advice.
- Verify the journal vouchers for accounting the payroll disbursements and various deductions and check the classification with the salary bill and other schedules.
- Check the various schedules prepared along with the pay bills for their correctness.
- Verify remittances to outside agencies for correctness and payment within due dates.
- Check up the subsidiary records maintained for the purpose.

6. Traveling Bills, Leave Travel Concession and Medical Claims including Advances:

- Select Sample.
- Whether recoveries of advances to staff and TA Advances are being regularly made and to review the Recovery Registers maintained in this regard.
- In case of reimbursement, check proper bills and other supporting documents are present and it has been sanctioned by appropriate authorities as per DoP.
- Check TA/LTC advance or reimbursement is within limit as established in SOP or as per policy circular released from time to time.
- Check delays in payment of claims, sanction by controlling authorities after proper checks, admissibility under the rules, adjustment of advances etc.

- Check that the registers of TA/LTC, medical have been maintained correctly.

7. Loans/Advances

- Select the sample
- Verify that loans and advances have been sanctioned in accordance with the rules and by the authorities competent to do so, payments have been duly recorded in the concerned registers of advance and recoveries are effected promptly and correctly.
- Check interest calculation.
- Check interest recovery and penal interest charged in case of default as per policy of the organization.

8. Encashment of Earned Leave

- Select the sample as per nature and size of organization.
- Check the correctness of formula for calculating the Earned Leave encashment.
- Check correctness of encashment allowed with reference to leave records and also pay bills rules etc.
- Check recording of encashment suitably.

9. Bonus Payments

- Select the sample. Check correctness of the total earnings for the year and the rates.
- Check entitlement of employees. Check correctness of records maintained as per the Payment of Bonus Rules.

10. Other Payments
