## **Chapter 5**

### **Eligibility and qualification criteria and method of evaluation.**

- 5.1. The Internal Auditors will be selected under Quality and Cost Based Selection, as per the procedure mentioned below and in accordance with the provisions of Rule 28-C of the "Karnataka State Transparency in Public Procurement Rules, 2000" amended up to date.
- 5.2. The evaluation of the Chartered Accountant/Cost Accountant Firm /Company/LLP will be based on marking points for different capabilities of the bidding firm. Marks for each of the pre-qualification criteria will be awarded based on documentary evidence furnished by the bidding entities in the PPP portal as detailed below:
- 5.3. For Technical qualification, the bidder should submit all the documents mentioned in **Schedule A (Technical proposals/bids)** to the satisfaction of KBJNL and should score minimum marks prescribed in **Schedule A** for each of the eligibility criteria.
- 5.4. Chartered Accountants/ Cost and Cost Accountants who are already engaged with Krishna Bhagya Jala Nigam Ltd for any assignments/pre audit cannot participate in the tender. Such proposals will be rejected during Technical evaluation itself.
- 5.5. The tender Scrutiny Committee appointed by KBJNL evaluates the proposals on the basis of their responsiveness to the Terms of reference, applying the evaluation criteria, sub-criteria and point system mentioned in this document. Each responsive proposal will be given a Technical Score(TS). A proposal be rejected at this stage if:
  - 5.5.1. Documents are not submitted to the satisfaction of the Company in the e-procurement portal.
  - 5.5.2. Minimum marks required under each eligibility criteria are not scored.
  - 5.5.3. Important aspects of Terms of reference are not fulfilled
  - 5.5.4. Conditional Proposals/ Bids are submitted.
  - 5.5.5. Freak rates are quoted. Freak rates means the quoted fee does not even cover the out of Pocket expenses, salary of assistants and the partner in charges's professional fee to the best of Judgment of KBJNL and the bidder does not submit, on a request by KBJNL, a costing sheet for the fee quoted by him, to the

satisfaction of KBJNL. In case of freak rates, KBJNL's decision is binding upon the bidders.

5.5.6 There is an internal report on the bidding firm about quality of work done/unethical practices followed during their previous spell of internal audit /Pre audit . KBJNL need not provide the internal records /proof to the bidding firms in this case and KBJNL's decision is final and binding on the bidding firm.

5.5.7. The Bidding firm should quote Lump sum fee for the entire Assignment. Fees quoted for specific zones/Offices within KBJNL will not be accepted and such bids will be rejected as non responsive and their EMD will be forfeited

5.6. After evaluation of Technical proposals, based on the evaluation criteria, the results of Technical evaluation and technically accepted/rejected will be up loaded in e-procurement portal .The decision of KBJNL will be final and binding on all the bidders.

5.7. The KPPP portal will display the financial proposals of only those bidders who are technically qualified based on the eligibility criteria prescribed in the RFP document and programmed in the KPP portal.

5.8. Financial proposals (FB) shall be opened, read aloud and recorded in front of the bidders present at the time of opening of the Financial proposals.

5.9. The Proposals will be ranked according to their combined Technical Score (TS) and Financial Proposals (FB) as per the formula given below:

5.10. Combined Total Score= $\{(TS \times 0.75) + \{(LB/FB) \times 100 \times 0.25\}$

5.11. Where TS=Technical Score, LB is the lowest proposal among the Financial Proposals and FB is the fee offered by the bidder being evaluated).

5.12. The weights given to the Technical score and Financial scores are TS=75 and FB = 25.

5.13. The firm determined by the KPP portal as eligible for award of tender will be invited for negotiation, if felt necessary by KBJNL.

5.14. If there is a tie up of the highest combined score between 2 or more bidders, the Bidding firm having longest standing will be considered.

5.15. Information relating to evaluation of proposals and recommendations relating awards shall not be disclosed to the firms who submitted the proposals or to other persons not officially concerned with the process until the highest combined score is finalized and appointed.

5.16. **Profile of the Bidder: Upload the profile of the firm as per the format given below:**

## SECTION - 4

### Professional Standards

Professional Standards prescribe the norms, principles and practices, which the Internal Auditors shall adhere to during the course of audit. These standards shall act as a guide to Internal Auditors and overall audit function, thereby ensuring efficiency in operations and professional conduct.

#### 4.1. Professional Standards of Internal Auditors

The Management of the Company relies on the Pre-Audit Certificate issued by the Internal Auditors before release of funds to the pay and accounts offices to meet the contract liabilities. The Internal Audit reports submitted by the Internal Auditors are relied upon by the Statutory Auditors while expressing their view on the Financial Statement of the Company. Further, the Management relies on the Internal Audit report while taking decisions and also as a test to ensure that the internal controls laid down by the Company are actually being followed and that they are fool proof. Hence the Internal Auditors are expected to maintain the following professional standards:

- **Objectivity:** Internal Auditors should acknowledge and incorporate all information received from KBJNL without withholding any information which may distort the reporting of activities under review. Internal Auditors shall be fair in reporting and any deviations from the laid down systems and procedures. Without fear or favor.
- **Competency:** They should possess thorough knowledge of the internal audit process, applicable rules and orders and Mandatory Standards on Internal Audit issued by the Institute of Chartered Accountants of India.
- **Confidentiality:** Internal Auditors should not disclose the information acquired during audit to any person other than the Company *unless there is a legal or professional obligation to do so. They should not use the information for any personal gain or in any other manner, which is detrimental to the KBJNL or to the Government.*
- **Integrity:** Internal Auditors should comply with ethical principles and code of conduct governing the auditor's professional behavior and responsibilities, which include; Integrity, Objectivity and fairness, Confidentiality and Technical Standards. They would be governed by the ethical requirements as laid down by the Institute of Chartered Accountants of India or the Institute of Cost and Cost Accountants of India, as the case may be.

## **4.2. Audit Quality**

The services rendered by the **Internal Auditors** are expected to be of high quality and the quality can be maintained by following:

- 4.2.1. By deploying professionally qualified personnel for conducting the Audit.
- 4.2.2. Understanding the functioning of the Company being audited, including the thorough knowledge of the various rules and technical parameters of the functioning of the Company
- 4.2.3. Frequent discussions with the KBJNL and its officers at the field and Head Office level
- 4.2.4. Use of standard sampling methods
- 4.2.5. Use of Computer Assisted Audit Techniques(CAATs)
- 4.2.6. By adopting the format of report insisted by the Company.
- 4.2.7. By complying with the standards of Internal Audit issued by the Institute of Chartered Accountants of India.
- 4.2.8. The Draft internal audit observations shall be discussed with the Head of the Auditee Office, and take in to consideration any replies, views expressed during the discussion before formulating the Report.
- 4.2.9. The Internal Audit Firm shall adhere to the time frame for completion of audit and reporting.

## **4.3. Computer Assisted Audit Techniques (CAATs)**

- 4.3.1. Computer Assisted Audit Techniques (CAATs) is the practice of using computers to facilitate and speed up the audit process by using spread sheets, word processors, advance software packages involving use of statistical analysis etc to analyse the data and transactions
- 4.3.2. Usage of CAAT increases economy and efficiency in audit covering huge volume of transactions saves times and focuses on areas of risk.
- 4.3.3. While planning an audit, the auditor may use both combinations of manual as well as computer assisted audit techniques in relation to the situation and context.
- 4.3.4. While deciding use of CAATs, the Internal Auditors may consider the following factors:
  - Availability of CAATS with the KBJNL;
  - IT infrastructure;

- Availability of data and data sources;
- Economy and time constraints.

#### **4.4. Audit Quality Evaluation**

Proper evaluation of the audit reports will lead to improvement of audit quality in due course of time. The following tools may be used for the purpose of audit quality evaluation:

4.4.1. While evaluating the quality of Internal Auditor's report, the HoIA shall evaluate the audit functions based on the professional standards, and criteria provided by the Company from time to time and shall involve examination of:

- Audit team's approach to strategic planning
- Auditing standards and Audit guidelines followed by the audit team
- Collection of audit evidence Documentation and reporting by the audit team
- Proper review and supervision mechanism whether followed
- Proper interactions held with KBJNL
- Any other guidelines and approaches followed by the internal audit team
- Adherence to this Internal Audit Manual requirements

4.4.2 The Officer In charge of the Internal Audit in KBJNL shall report and identify opportunities for improvement in the system along with a plan of action.

## **Section 5. Planning an Audit**

This section deals with steps involved in selection of KBJNL units annually for the purpose of audit and planning the annual audit program. The existing list of Zonal / Offices may have changed due to closure or opening of new divisions. Hence at the Commencement of each year, Internal Auditor should identify and prepare a list of Auditee divisions in Joint consultation with the CFO PCAO / CAO/CEs

### ***5.1. Annual Audit Program Planning through Risk Assessment***

- 5.1.1. Since it is not possible to audit all offices of the Company every year, a scientific method should be in place to select offices cautiously for the purpose of audit. Since the objective of conducting internal audit is to ensure effective conduct of activities and achievement of desired goal by the Company, offices shall be selected on the basis of degree of risk parameters.
- 5.1.2. The Chief Finance Officer of KBJNL is responsible for selection of offices for audit and prepares an Annual Audit Program of the Company for each financial year in consultation with the Internal Auditor.
- 5.1.3. An approved Annual Audit Program of the Company shall be communicated to all concerned officials and to the Audit Committee by end of February each year.

### **5.2.Risk Score Chart**

- 5.2.1. As discussed above a systematic frame work should be in place for selection of offices / Activities as per their risk profile, hence a **Risk Score Chart (RSC)** shall be prepared, which assigns ranks to the offices on the basis of the risk indicators.
- 5.2.2. An overview of three broad categories of risk parameters is given in Table no.1.

The Heads of office will further communicate the Audit program to the Subordinate offices in his jurisdiction and ensure that the Books of Account, other records files are updated and kept ready for verification and provide the Audit all information /clarification/explanations to help the auditor to draw correct conclusions /offer suggestions recommendations.

#### **5.5. *Coordination with the Head of KBJNL***

Audit Team Head/In-Charge shall seek cooperation of the Head of Office (HoD)/Drawing and Disbursing Officer (DDO) and Other Office personnel responsible for maintaining accounts/records for smooth conduct of audit.

The Auditor shall have meeting with the Heads of office before commencing the audit for a particular period. On the closing day the auditor will discuss the major observations which would form a part of his reports. The Heads of office should not wait for the formal audit report to reach him but initiate necessary corrective actions immediately after noticing the same.

## Section 6. Initiating an Audit

It is the responsibility of Internal Auditor to take necessary steps to initiate the audit as planned in annual audit Program. Before proceeding to conduct the audit, they shall ensure that below mentioned steps are taken.

### 6.1. *Planning Individual Audits*

While planning individual audits, due considerations should be given to the information available in previous audit files of the KBJNL. In case of first audit, sufficient time should be given to the audit team to gain knowledge on the working of the Department.

Preliminary planning involves:

6.1.1. **Gaining an understanding of the KBJNL functions:** Auditor should have fairly good knowledge of the organization and its operations. This includes understanding the rationale behind establishing the Department, structure of the Department and functions of the Department. Primary source of information about the Department can be obtained through the following documents:

- Accounting policies of the Company.
- Previous internal audit plans,
- Previous audit reports,
- AG's inspection reports,
- Budget estimates, revised estimates and actual expenditure,
- Statutory and regulatory requirements applicable to the Company /to be followed by the Company. Rules and regulations framed by the relevant Government of Karnataka Department like Water Resources Department, Public Works Department etc., to the extent they are applicable to KBJNL,
- Important directions /circulars /orders issued by State and Central Governments from time to time, as much as they are applicable to the Company.
- Organization charts and flow charts of processes,
- List of accounting registers and records maintained in the Department,
- MIS reports,
- Delegation of the Financial and other administrative powers to the

officers of the Company,

- Any other document relevant to audit.

**6.1.2. Understanding Controls:** (i) The Auditor, in determining the extent and scope of the audit, should study and evaluate the reliability of internal controls in place. After gaining understanding of the organization, auditor should identify key control areas in the functional area of operation and management of the Company. (ii) The Internal Auditor should examine and evaluate the existence and operation of internal control systems in relation to the financial statements of the Company as also the various controls laid down various codes, manuals, Internal Audit Standards and government orders. (iii) The auditor shall ensure that lack of such controls is not contributing to material misstatements in the annual financial statements.

**6.1.3. Analyzing the earlier audit reports :** Analysis of the earlier Audit reports are needed to verify the Department's compliance on the recommendations of the audit. Following issues needs to be verified to understand the environment:

- Errors corrected at the instance of the audit,
- Remedial recourse or penal actions taken on the recommendation of the audit,
- Improvements in internal control systems in response to auditor's recommendations,
- Any special audits conducted that supplements the present audit.

**6.1.4 Identifying legal compliances to be made:** Auditor should acquaint himself with the applicable legal provisions like adherence to Codes, Rules and various government orders tax laws and other statutory compliances applicable to the Company.

**6.1.5 Sharing and finalizing the areas of the audit in discussion with the KBJNL:** Based on the understanding of KBJNL functions and environment, scope of audit will be discussed with the KBJNL and areas of audit shall be finalized.

**6.1.6 Providing an overview of the audit process to the KBJNL:** Once the areas of Audit are finalized, the Internal Auditors shall provide an overview of the audit process to be carried out. Requirements, support or any other information or disclosures required from the KBJNL may be obtained.

## **6.2 Risk Based Assessment**

Risk assessment is the process of:

- 6.2.1 Identifying and analyzing potential risks posing threat to the existence of the Company, going concern, risks relating to regulatory requirement, risks that may affect the achievements of the objects of the Company risk of loss of revenues from operations, risks to the assets and properties of the Company, Lack of control over financial reporting leading material misstatements.
- 6.2.2 Developing recommending mitigation initiatives to be taken by the Company to address the identified risks and prioritizing audit focus in the risk potential areas.
- 6.2.3 After identification of risk areas, Internal Auditors shall finalize the audit plan prioritizing audit scrutiny in potential risk areas to test the sufficiency of internal controls systems and suggest measures to strengthen the internal controls in those focus areas.

## **6.3 Assessment of Internal Controls**

6.3.1 Internal control mechanism is an integral process operated by an organization, designed to address risks and to provide areas on able assurance in pursuit of organization's objectives / mission. Following general objectives are achieved by the process of Internal Control:

- Execution of orderly, ethical, economical, efficient and effective operations;
- Revenues are realized and accounted for and there is no loss of revenue
- Fulfilling of accountability obligations;
- An effective level of comfort to the stake holders of the Company that the Company is complying with applicable laws and regulations and Safeguarding resources against loss, misuse and damage.
- Safe guarding the assets of the Company against frauds, misuse, misappropriation etc.
- Early detection of Control weakness for over ride of controls by management.
- Prevention of frauds by and against the Company

6.3.2 Internal Auditors shall do an assessment of Internal Controls to ensure

that an adequate internal control frame work is in existence and operating as designed by the Department and errors if any to be located with the operation of established internal controls. Internal Control Assessment will help Internal Auditors to know the following:

- Reliability of records and registers maintained by the Department;
- That the internal controls facilitate the preparation of error free financial statements by avoiding material misstatements in the Annual financial Statements of the Company.
- The extent and the depth of the examination and the focus required on the potentially risk areas that needs to be carried out;
- What are the areas where controls are weak and where it is unnecessarily excessive;
- Whether suggestions can be given to improve the control systems.
- Whether the internal controls are sufficient
- Whether the internal controls laid down are actually being followed if not, suggest remediation.

#### 6.4 Types of controls

Generally there are two types of internal controls such as:

- 6.4.1 **Preventive Control:** This type of internal control would prevent a risk from occurring. For example:
- All transactions and events are initiated on proper authorizations and approvals.
  - Segregation of functions/duties among the official as far as practicable to prevent risk.
  - Control over access to resources and records to prevent unauthorized or improper use of resources.
  - There are no role and interest conflicts in the laid down business process.
- 6.4.2 **Detective Control:** Detective controls are measures that would point to any loss/misdeeds/misappropriation that is taking place in the organization. Any kind of reconciliation ( bank reconciliation),analytical reviews, post audit, etc. would fall under this category as they help to detect if something had gone wrong. Some examples of control activities are:
- 6.4.3 **Verifications:** Transactions or events are verified to ensure correctness and validity. Personal records/service books etc. are periodically verified to ensure their correctness.
- 6.4.4 **Reconciliations:** This is one of the most commonly used and effective

control measures. Reconciliation of one set of records with another including external source records like bank pass books et can effective level of comfort to the stake holders of the Company are made to ascertain correctness of the transactions or facts.

## **6.5 Tests of Internal Controls**

- 6.5.1 Through audit procedures the effectiveness of the KBJNL's internal control systems is assessed. The Internal Auditors should make a list of internal controls which are in operation in the KBJNL. Then Internal Auditors shall perform tests of controls to assess the existence and adequacy of all the internal controls.
- 6.5.2 The Internal Auditors may initially check the controls by conducting a compliance testing that is, testing to assess compliance with the internal control. Substantive testing is required to obtain evidence to ensure the completeness, accuracy and validity of the data produced by the accounting system.
- 6.5.3 The Auditor will first check whether there is compliance with the control measure. If it is seen that the control measure is not operating properly, then the auditor would have to go for a substantive testing of the transactions to examine whether non-compliance with the control has resulted in any irregularity.
- 6.5.4 Substantive testing includes tests of details of classes of transactions, account balances and disclosures.
- 6.5.5 The Auditor after assessing controls shall give his recommendation on the operation of the internal controls, whether operation of internal controls is satisfactory or needs improvement or is not in existence.
