Section V. Terms of Reference (TOR)

1. Client

The Client for this assignment is the Mission Directorate of HADP / JKIP, Agriculture Production Department, Government of the Union Territory of Jammu & Kashmir — referred to in this RFP as 'the Client' or 'the Mission Directorate'.

2. Background

The International Fund for Agricultural Development (IFAD) is providing financing to the Government of India for the Jammu and Kashmir Competitiveness Improvement Project (JKIP) in the form of loan and grant resources. The Financing Agreement (IFAD Loan No. 2000005021) was signed on 18 June 2024. The total project cost is approximately USD 217 million (of which the IFAD loan is USD 100 million, with counterpart contributions from the Government of J&K, the Government of India and beneficiaries). The project completion date is 30 June 2031 (a 7-year implementation horizon).

JKIP covers 90 blocks across 20 districts of the UT of J&K, targeting approximately 3,00,000 households (1.5 million individual beneficiaries — including 47% women, 30% youth, and 10% from vulnerable communities). The project aims to enhance agricultural productivity, market access and farmer incomes through a value-chain approach in the horticulture, agriculture and allied sectors, with the following components:

- Component 1 — Climate-Smart and Market-Led Production
- Component 2 — Agribusiness Ecosystem Development
- Component 3 — Support to Vulnerable Communities
- Component 4 — Project Management Support

JKIP is implemented by the Mission Directorate HADP / JKIP, with implementing partners that include the Directorates of Horticulture, Agriculture, Animal Husbandry, Sheep Husbandry, Fisheries, Horticulture Planning & Marketing, SKUAST Jammu and SKUAST Kashmir. In accordance with Article X of the IFAD Financing Agreement and the IFAD Handbook on Financial Reporting and Auditing of IFAD-Financed Projects, the Project's Annual Financial Statements are required to be audited by an INDEPENDENT EXTERNAL AUDITOR appointed by the Mission Directorate with the Fund's no-objection where required, and audited reports submitted to IFAD within SIX (6) MONTHS of the close of each Financial Year.

3. Objective of the Audit

The objective of the External Audit covering BOTH Financial Years 2025-26 and 2026-27 is to enable the auditor to express a professional opinion on:

- (a) Whether the individual Project Financial Statements (PFS) of the JKIP Project Management Unit (Narwal Jammu / Rajbagh Srinagar) and of each Implementing Project Unit, as well as the CONSOLIDATED PFS of the Project as a whole — comprising Balance Sheet, Income & Expenditure Statement, Receipts & Payments Statement, Statement of Funds Position, reconciliation of expenditure as per audited PFS with expenditures reported in the Interim Financial Reports (IFRs) / Financial Monitoring Reports (FMRs), and all relevant accounting policies, notes to accounts, schedules, and reconciliation statements —

give a true and fair view of the financial position of the Project for each Financial Year audited.

- (b) Whether the funds were utilized for the purposes for which they were provided in the IFAD Financing Agreement.
- (c) Whether appropriate budgeting systems are in place, with regular monitoring of actual financial performance against AWPB targets.
- (d) Whether physical and financial progress is appropriately monitored.
- (e) Whether standard internal controls are in place — including expenditure verification, documentation, levels of authorization, segregation of duties, joint signatory requirement on payments, periodic bank reconciliation and physical verification of assets.

The books of accounts maintained by the Mission Directorate / Implementing Agencies / Project Units shall form the basis for the preparation of the individual and consolidated PFS as per IFAD guidelines. The audit shall verify compliance with the IFAD Financing Agreement, the IFAD Procurement Handbook, the JKCIP Project Implementation Manual (PIM) and the JKCIP Financial Management Manual.

4. Responsibilities of the Borrower / Mission Directorate JKCIP

- Provide the auditor with access to all legal documents and correspondence with consultants, contractors and other persons or firms engaged by the project, and any other information associated with the project that may be deemed necessary by the auditor.

- Ensure that appropriate internal controls are implemented to prevent misstatements and reduce susceptibility to fraud.
- Ensure compliance with all relevant laws and regulations that pertain to the Project, as well as with the IFAD Financing Agreement.

5. Scope of the External Audit (per Financial Year)

The External Auditor shall be a member firm of the Institute of Chartered Accountants of India (ICAI) and shall be responsible — for EACH of the two Financial Years separately — for ensuring the following:

- Project accounts have been prepared in accordance with the consistently applied IFAD/Indian accounting standards.
- All books of accounts and Financial Statements are updated, bank accounts reconciled, and books of accounts prepared on a monthly basis.
- All necessary supporting documents and records are separately filed for all project activities, with a clear nexus between supporting documents, accounting books and records, and the periodic financial reports of the Project Units.
- Review of internal control systems and their effectiveness in project implementation, with recommendations for improvement where required.
- Review of monthly/quarterly expenditure statements submitted by districts indicating the approved budget provision and actual expenditure during the period, and cumulative expenditure against activity / sub-activity, ensuring conformity with the books of accounts.

- Verify that the break-up of expenditure between IFAD financing and counterpart funding is in accordance with the IFAD Financing Agreement.
- Verify that all funds have been used in accordance with the conditions of the relevant legal agreements and only for the purposes for which the financing was provided.
- Verify that records of all procurement, agreements, work / purchase orders, invoices, receipts, stock registers etc. are properly maintained, duly linked and retained. The auditor shall also review contract management and whether payment terms to contractors / consultants are being adhered to, in compliance with the IFAD Procurement Handbook.
- Review statutory compliances such as TDS, Income Tax, GST, EPF returns and others applicable.
- Review the efficiency and timeliness of the funds-flow mechanism between IFAD, GoI, GoJK, Mission Directorate and Implementing Agencies / Project Units; identify delays and possible remedial measures.
- Verify that Interim Financial Reports (IFRs) / Statements of Expenditure (SOEs) are submitted in a timely manner, with releases of funds conditional on receipt of IFRs/SOEs, and report any exceptions.
- Verify that project funds have been used with due attention to economy, efficiency and effectiveness, and only for the purposes for which they were provided.
- Verify that adequate records are maintained regarding assets created or acquired by the Project — including description, cost, identification and location of assets. The auditor shall carry out PHYSICAL VERIFICATION of a sample of assets and comment on utilisation, safeguarding and adequacy of records.
- Verify that accounting for advances to entities, units and project implementing staff is properly recorded; that systems are in place for monitoring the receipt of periodic financial reports and follow-up on overdue reports; and that exceptions are identified and reported.
- Verify that the accounting records of each Project Unit are properly kept with supporting documents and authorisation; that goods procured by the Project Unit have followed a transparent procurement process per the IFAD Procurement Handbook, and that the basic tenets of economy, efficiency and social equity have been followed.
- Verify that the compliance report on audit and supervision-mission observations from earlier audits is included in the current audit report along with corrective actions taken.
- The External Auditor shall visit each Project Unit, District Office and the Mission Directorate at Narwal Jammu and Rajbagh Srinagar HALF-YEARLY (i.e., TWICE in each Financial Year) for fieldwork, and submit the final audit report to the Mission Director within FORTY-FIVE (45) DAYS of the closure of the audit fieldwork.
